- Designing Inquiry Action Plans
- Utilizing Ongoing Assessment to Guide Instruction
- Differentiation to Engage All Students
- Integrating Technologies for Meaningful Learning

Induction Overview

The Marin County Teacher Induction Program provides credentialed teachers with a differentiated, standards-based professional development program that supports them throughout the teaching profession.

Induction provides a bridge linking the theory, knowledge and skills acquired in the Preliminary Credential Program to the realities of daily classroom teaching.

A trained experienced teacher – a Support Provider – will work with each new teacher.

Upon completion of Induction and credential requirements, Participating Teachers will be recommended for a **California Clear Credential**.

Teacher Induction Year 2

- Organizing Subject Matter for Student Learning
- Planning for Language Learner Success
- Reflecting on Teaching Practice to Support Student Learning
- Examining Equity, Diversity & Access to Core Curriculum
- Planning for Special Populations Success
- Clear Credential Process
