INDUCTION PROGRAM:

Marin County Teacher Induction Program

The Marin County Teacher Induction Program is a state approved countywide consortium providing beginning teachers with two years of job-embedded mentoring to support growth towards mastery in the *California Standard for the Teaching Profession*. This program supports new teachers to clear their CA Preliminary credential. Through an individualized, goal-focused approach, mentors guide teachers in strengthening best practices within and beyond the classroom. The program provides a smooth transition into the complex responsibilities of culturally responsive teaching, increasing the retention of teachers, and improving learning opportunities for each student.
