Good morning,

As part of our continued efforts to help as many DACA recipients in Marin renew their status as soon as possible, Canal Alliance has produced a flyer that we ask our partners throughout the county to post and disperse.

It is *essential* that those persons who believe they may be eligible to renew their DACA consult with immigration attorneys, and then move forward with their renewal applications if possible. As noted in the flyers, even those DACA recipients whose permits expire more than 6 months from now should speak to immigration attorneys about renewing.

DACA renewal appointments available at Canal Alliance every Tuesday and Thursday from 9-3:00 PM, and **financial assistance is available for the \$495 application fee**. We highly encourage interested persons to contact us for appointments by calling 415.306.0437, emailing [Immigration@canalalliance.org](mailto:Immigration@canalalliance.org), or coming in person to our offices at 91 Larkspur Street, San Rafael.

In solidarity,

**Sarah Emory**
