Presents

Race and Equity

Presenter: Julie Kurtz, MFT & WestEd

Friday, April 5, 2019
9:00am - 4:00pm

This training examines trauma through a lens of equity and social justice. We discuss systematic oppression, racial equity, implicit bias, and the importance of culturally responsive TIP practices in work with children, families, and communities. Participants learn strategies for supporting young children's social emotional competence and develop awareness about policies and practices that prevent suspension, expulsion, and inequitable discipline practices that disproportionately and negatively impact young children of color

Light breakfast provided—lunch on your own

Registration: <https://raceandequity.eventbrite.com>

CA ECE Workforce Registry number required: <https://www.caregistry.org/>
