School Behavioral Threat Assessments: An Introduction

Tuesday, March 12, 2019 8:00am - 4:00pm

Training Objective: The aim of this training is to help participants be able to:

- ◇ Describe key findings of the SSI
- ◇ Understand the purpose of a school threat assessment and the role of a Threat Assessment Team (TAT)
- ◇ List effective elements of a school threat assessment
- ◇ Identify the five stages of a school threat assessment
- ◇ Recognize how threats can be made online and how to identify these threats

Target Audience: District and school administrators, teachers, counselors, school psychologist, support staff, community partners, mental/behavioral representatives
