The Mission of Global California 2030:

Equip students with the world language skills to succeed in the global economy.

Fully engage with the diverse mixture of cultures and languages found in California and throughout the world.

Goals of Global California 2030:

- By 2030, half of all K-12 students will participate in programs leading to proficiency in two or more languages, either through a class, a program or an experience.
- Triple the number of students who receive the State Seal of Biliteracy, nationally recognized for college admissions and career opportunities.
- Quadruple the number of dual immersion programs from 400 in 2017 to 1,600 in 2030.
- Double the number of bilingual teachers authorized in world language classes from 2017 to 2030.
