VOLUNTEER PROCTORS INFORMATION

The Marin County Mock Trial competition supports approximately 250 high school students as they explore a working knowledge of our judicial system. The annual success of this program depends upon many volunteers. Local judges and attorneys generously give their time to preside over, score, and mentor these young people through this valuable learning experience. Parent and/or community volunteers proctor the courts during the trials, keeping order in the courtroom. We are grateful for your interest and support of the Marin County Mock Trial program.

Proctors

Thank you for volunteering as a Proctor for the Marin County Mock Trial competition. Students have worked very hard to prepare for their roles in the upcoming trials. It is important to create an authentic courtroom environment where they have the opportunity to excel. Please refer to the Proctor Information Sheet for specific responsibilities of the courtroom proctor.

Volunteer Registration form due no later than January 7, 2022
