General Information

A description of the impact the COVID-19 pandemic has had on the LEA and its community.

Briefly provide information deemed relevant to enable a reader to more fully understand how the LEA’s Learning Continuity Plan has been informed by the impacts the LEA and its community have experienced from the COVID-19 pandemic.

Stakeholder Engagement

A description of the efforts made to solicit stakeholder feedback.

A sufficient response to this prompt will describe the overall stakeholder engagement process, including the efforts to reach pupils, families, educators, and other stakeholders who do not have internet access, or who speak languages other than English; and a description of how stakeholder engagement was considered before finalizing the Learning Continuity Plan.

A description of the options provided for remote participation in public meetings and public hearings.

A sufficient response to this prompt will describe how the LEA promoted stakeholder engagement, and the option(s) provided that allowed remote participation in the public hearings and local governing board meetings.

A summary of the feedback provided by specific stakeholder groups.

A sufficient response to this prompt will describe and summarize the stakeholder feedback provided by specific stakeholders. A sufficient response to this prompt will indicate ideas, trends, or inputs that emerged from an analysis of the feedback received from stakeholders.

A description of the aspects of the Learning Continuity and Attendance Plan that were influenced by specific stakeholder input.

A sufficient response to this prompt will provide stakeholders and the public with clear, specific information about how the stakeholder engagement process influenced the development of the Learning Continuity Plan. This response must describe aspects of the Learning Continuity Plan that were influenced by or developed in response to stakeholder feedback.
For the purposes of this prompt, “aspects” may include sections or specific actions within a section of the Learning Continuity Plan that may have been influenced by stakeholder input

Continuity of Learning

In-Person Instructional Offerings

A description of the actions the LEA will take to offer classroom-based instruction whenever possible, particularly for students who have experienced significant learning loss due to school closures in the 2019–2020 school year or are at a greater risk of experiencing learning loss due to future school closures.

A sufficient response to this prompt will describe the LEA’s classroom-based instructional schedule model, including how the LEA will ensure student learning and competency development while also considering a student’s social–emotional well-being.

*The LEA’s classroom-based instructional schedule model should include plans and protocols to ensure the safety of students and staff, consistent with public health guidance, including considerations for campus access, hygiene practices, protective equipment, physical distancing, and cleaning and disinfecting to ensure physical health and safety in school facilities and vehicles.

*To identify students who have experienced significant learning loss due to the school closures in 2019-20, LEAs should consider and solidify a systematic cycle of assessments, including initial screenings and formative and summative assessments. LEAs may use this data to develop an instructional schedule model to address student needs with a focus on implementation of intervention strategies to accelerate learning for students at risk of experiencing continued learning challenges due to the impacts of COVID-19 and ongoing distance learning.

Distance Learning Program

Continuity of Instruction
A description of how the LEA will provide continuity of instruction during the school year to ensure pupils have access to a full curriculum of substantially similar quality regardless of the method of delivery, including the LEA’s plan for curriculum and instructional resources that will ensure instructional continuity for pupils if a transition between in-person instruction and distance learning is necessary.

A sufficient response to this prompt will:
Include specific information that explains how the LEA will provide continuity of instruction and learning to ensure that pupils have access to a full curriculum of substantially similar quality regardless of the method of delivery, and
Provide a succinct description of the curriculum and instructional resources that will be developed or utilized that will ensure instructional continuity for pupils if a transition between in-person instruction and distance learning is necessary.

Access to Devices and Connectivity
A description of how the LEA will ensure access to devices and connectivity for all pupils to support distance learning.

A sufficient response to this prompt will describe how the LEA will ensure access to devices and connectivity for all pupils to support distance learning whenever it occurs, including:
*The process used to ascertain the needs of students. In doing so, the LEA may consider the needs of teachers and families in order to ensure that students have access to devices and connectivity.
*The plan for ensuring access to devices and connectivity for all pupils to support distance learning, whenever it occurs and for providing technological support to ensure access to devices and connectivity.
*Descriptions of the efforts of the LEA to ensure students and families with unique circumstances have access to devise and connectivity.
*Description of methods used to reach students and families who were unable to access devices and connectivity following school closure in the 2019-20 school year.

Pupil Participation and Progress
A description of how the LEA will assess pupil progress through live contacts and synchronous instructional minutes, and a description of how the LEA will measure participation and time value of pupil work.

A sufficient response to this prompt will provide specific information about how the LEA will track and monitor student progress through live contacts and synchronous instructional minutes, and a description of how the LEA will measure participation and time value of student work.
* Instructional time for distance learning is calculated based on the time value of synchronous and/or asynchronous assignments made and certified by a certificated employee of the LEA.

**Distance Learning Professional Development**

A description of the professional development and resources that will be provided to staff to support the distance learning program, including technological support.

A sufficient response to this prompt will provide specific information about the professional development and resources the LEA will provide to staff to support the distance learning program, including technological support.

**Staff Roles and Responsibilities**

A description of the new roles and responsibilities of affected staff as a result of COVID-19.

A sufficient response to this prompt will describe how the LEA has adapted the roles and responsibilities of employees that have necessarily changed as a result of COVID-19 such as, but not limited to:

* Modifications made to staff roles and responsibilities to meet the academic and social-emotional needs of students while ensuring the health and safety of staff and students
* Changes to an employee’s original role or responsibility when that original role or responsibility is not feasible in a remote environment.

**Supports for Pupils with Unique Needs**

A description of the additional supports the LEA will provide during distance learning to assist pupils with unique needs, including English learners, pupils with exceptional needs served across the full continuum of placements, pupils in foster care, and pupils who are experiencing homelessness.

A sufficient response to this prompt must describe the additional support that the LEA will provide during distance learning to assist pupils with unique needs, including additional supports provided to the following groups:

- English Learners
- Pupils with exceptional needs served across the full continuum of placements
- Pupils in foster care; and
- Pupils who are experiencing homelessness.

### Pupil Learning Loss

A description of how the LEA will address pupil learning loss that results from COVID-19 during the 2019–2020 and 2020–21 school years, including how the LEA will assess pupils to measure learning status, particularly in the areas of English language arts, English language development, and mathematics.

A sufficient response to this prompt will describe how, with what tools, and at what frequency the LEA will assess pupils to measure learning status, within any instructional delivery model, particularly in the following areas:
- English language arts
- English language development – including designated and integrated ELD instruction
- Mathematics

### Pupil Learning Loss Strategies

A description of the actions and strategies the LEA will use to address learning loss and accelerate learning progress for pupils, as needed, including how these strategies differ for pupils who are English learners; low-income; foster youth; pupils with exceptional needs; and pupils experiencing homelessness.

A sufficient response to this prompt will include specific actions and describe the strategies used to address learning loss and accelerate learning progress. In addition, the response must include a description as to how these strategies differ for:
- English Learners
- Pupils with exceptional needs served across the full continuum of placements;
- Pupils in foster care; and
- Pupils who are experiencing homelessness.
Effectiveness of Implemented Pupil Learning Loss Strategies

A description of how the effectiveness of the services or supports provided to address learning loss will be measured.

A sufficient response to this prompt will describe how and by what methods the LEA will measure the effectiveness of services or supports provided to address learning loss.

Mental Health and Social and Emotional Well-Being

A description of how the LEA will monitor and support mental health and social and emotional well-being of pupils and staff during the school year, including the professional development and resources that will be provided to pupils and staff to address trauma and other impacts of COVID-19 on the school community.

A sufficient response to this prompt will describe how the LEA will support mental health and social and emotional well-being of pupils during the school year which includes:

* What professional development will be provided to staff.
* What resources will be provided to pupils and staff to address trauma and other impacts of COVID-19 on the school community.

Pupil and Family Engagement and Outreach

A description of pupil engagement and outreach, including the procedures for tiered reengagement strategies for pupils who are absent from distance learning and how the LEA will provide outreach to pupils and their parents or guardians, including in languages other than English, when pupils are not meeting compulsory education requirements, or if the LEA determines the pupil is not is not engaging in instruction and is at risk of learning loss.

A sufficient response to this prompt will provide a description of pupil engagement and outreach including:
*The procedures for tiered reengagement strategies for pupils who are absent from distance learning.

*How the LEA will provide outreach to all pupils and their parents and guardians, including in language other than English, when pupils are not meeting compulsory education requirements or if the LEA determines the pupil is not engaging in instruction and is at risk of learning loss.

### School Nutrition

A description of how the LEA will provide nutritionally adequate meals for all pupils, including those students who are eligible for free or reduced-price meals, when pupils are participating in both in-person instruction and distance learning, as applicable.

A sufficient response to this prompt will describe how the LEA will provide nutritionally adequate meals for all pupils, including those students who are eligible for free or reduced-price meals, when pupils are participating in both in-person instruction and distance learning, as applicable.

Increased or Improved Services for Foster Youth, English Learners, and Low-Income Students

EC Section 43509 maintains the requirement for LEAs to describe how they are increasing or improving services for unduplicated pupils pursuant to California Code of Regulations, Title 5 (5 CCR) Section 15496. In developing the Learning Continuity Plan, LEAs are to consider the unique needs of foster youth, English learners, and low-income students.

The responses to the prompts in the Increased or Improved Services section of the Learning Continuity Plan provide stakeholders and the LEA community with a comprehensive description, within a single dedicated section, of how an LEA plans to increase or improve services for its unduplicated students as compared to all students.

Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of stakeholders to facilitate their ability to provide input.

**Required Descriptions**

For the actions being provided to an entire school, or across the entire school district or county office of education (COE), an explanation of (1) how the needs of foster youth, English learners, and low-income students were considered first, and (2) how these actions are effective in meeting the needs of these students.

For the actions included in the Learning Continuity Plan and marked as contributing to the increased or improved services requirement for foster youth, English learners, and low-income students and that are being provided on an LEA-wide or schoolwide basis, provide a general explanation of these actions consistent with 5 CCR Section 15496(b)

*Principally Directed and Effective:* For these actions, explain how:
*The LEA considered the needs, conditions, or circumstances of its unduplicated pupils as a result of COVID-19;*
*The action, or aspect(s) of the action (including, for example, its design, content, methods, or location), is based on these considerations; and*
*The action is intended to meet the needs of the students in response to the COVID-19 pandemic*

A description of how services for foster youth, English learners, and low-income students are being increased or improved by the percentage required.
Consistent with the requirements of 5 CCR Section 15496, describe how the services marked in the Learning Continuity Plan as contributing to the increased or improved services requirement for foster youth, English learners, and low-income students contribute to meeting the percentage calculated as compared to the services provided for all students. Additionally, consistent with the requirements of 5 CCR Section 15496, please describe any other actions or services that contribute towards meeting the increased or improved services requirement.

To improved services means to grow services in quality and to increased services means to grow services in quantity.

A sufficient description to this prompt must address how the action(s) are expected to result in the required proportional increase or improvement in services for unduplicated pupils as compared to the services the LEA provides to all students.
