## Senate Bill No. 1104

### CHAPTER 848

An act to add Section 49381 to the Education Code, relating to pupil safety.

[ Approved by Governor September 27, 2018. Filed with Secretary of State September 27, 2018. ]

#### LEGISLATIVE COUNSEL'S DIGEST

SB 1104, Roth. Pupil safety: human trafficking prevention resources.

Existing law authorizes a school district to provide sexual abuse and sex trafficking prevention education, as defined, encourages school districts to collaborate with outside consultants, including law enforcement, with expertise in sexual abuse and sex trafficking prevention education in order to create school safety plans to address those threats, and authorizes in-service training of school district personnel relating to understanding sexual abuse and sex trafficking to be conducted periodically, as provided.

This bill would require the governing board of a school district and the governing body of a charter school to work with their schools that maintain any of grades 6 to 12, inclusive, to identify the most appropriate methods of informing parents and guardians of pupils in those grades of human trafficking prevention resources and to implement the identified methods in those schools by January 1, 2020. By imposing additional requirements on school districts and charter schools, the bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.
