Human Trafficking and Commercial Sexual Exploitation of Children (CSEC) Recommended Protocols for Schools (Updated 3.1.19)

Adapted from "Human Trafficking in America's Schools" by the U.S. Department of Education, January 2015, and materials from the San Mateo County Office of Education, and San Diego County Office of Education.

EITHER - At-Risk Factors – Criteria 1

Student meets at-risk concern if at least one factor is present:	Student exhibits behaviors or otherwise indicates that she/he is being controlled or groomed by another person.
	Student spends time with people known to be involved in commercial sex.
	Student's internet, cellphone, or social media use involves social or sexual behavior that is atypical for his/her age.

OR - At-Risk Factors – Criteria 2

Student meets at-risk concern if at least two factors are present:	Student has a history of running away or unstable housing, including multiple foster care placements or periods of homelessness, including couch surfing.
	Student has had prior involvement with law enforcement or the juvenile justice system*.
	Student is frequently missing from school.
	Student's relationships are of concern, placing him/her at risk or in danger of exploitation.
	Student has a history of substance abuse.

At-Risk for Human Trafficking or CSEC - Recommended Protocol

Step 1	The appropriate, pre-determined* school personnel should meet with student to co-create an action plan* to address school-related concerns. Call Children and Family Services.
Step 2	Setup regular contact with student and monitor action plan* and student's progress.
Step 3	If at-risk factors are present, submit mandated report* to Children and Family Services.

Suspected RECRUITMENT or EXPLOITATION of Students for Human Trafficking or CSEC - Recommended Protocol

Step 1	Involve local law enforcement and/or school resource officer (SRO) for possible investigation. Call Children and Family Services.
Step 2	Local law enforcement, SRO, and/or school site administration investigate possible impact on school campus, including harassment and/or recruitment, threats to school safety, etc.
Step 3	Provide school consequence, if appropriate per EC Section 32282. Law enforcement may make an arrest, depending on outcome of investigation.

Suspected VICTIM of Human Trafficking or CSEC - Recommended Protocol

Step 1	Involve local law enforcement and/or school resource officer (SRO) for possible investigation. Call Children and Family Services.
Step 2	If Human Trafficking or CSEC is suspected, submit mandated report* to Children and Family Services.
Step 3	Investigate potential impact on school campus, including harassment, recruitment, threats to school safety.
Step 4	If appropriate, and in consultation with the victim, contact and inform parent or guardian of potential victimization, unless victimization is occurring by parent/guardian, in which case refer to Children and Family Services.
Step 5	Offer potential victim and/or parent/guardian a referral to appropriate counseling or social services.
Step 6	Set up regular contact with victim and periodically check on status (most appropriate for counselor or social worker).

CONFIRMED VICTIM of Human Trafficking or CSEC - Recommended Protocol

Step 1	Involve local law enforcement and/or SRO for investigation.
Step 2	Submit a detailed mandated report* to Children and Family Services.
Step 3	Investigate potential impact on school campus, including harassment, recruitment, threats to school safety.
Step 4	SRO or law enforcement to conduct investigation.
Step 5	If appropriate, and in consultation with victim, contact and inform parent/ guardian of victimization, unless victimization is occurring by parent/guardian, in which case refer to Children and Family Services.
Step 6	Investigate whether the school placement is appropriate for the student; if not, work with the appropriate department to transfer student.
Step 7	Offer potential victim and/or parent/guardian a referral to appropriate counseling or social services.
Step 8	Set up regular contact with victim and periodically check on status (most appropriate for counselor or social worker).

**Juvenile Justice
System**

The Division of Juvenile Justice provides education and treatment to California's youthful offenders up to the age of 25 who have the most serious criminal backgrounds and most intense treatment needs. Most juvenile offenders today are committed to county facilities in their home community where they can be closer to their families and local social services that are vital to rehabilitation.

**Mandated
Report**

Mandated reporters are individuals who are mandated by law to report known or suspected child maltreatment. They are primarily people who have contact with children through their employment. Mandated reporters are required by the state of California to report any known or suspected instances of child abuse or neglect to the county child welfare department or to a local law enforcement agency (police or sheriff's department).

Official Letter**

November 20, 2019

Dear County and District Superintendents and Charter School Administrators:

Safe Storage of Firearms and School Safety and Security

The recent spate of shooting spree and deadly violence around the nation has shocked and saddened us and dramatically increases our need to be vigilant and proactive with safety measures at all times. District and school administrators must help educate parents and guardians about California's child access prevention laws; it is a crime for a person to negligently store or leave a loaded firearm in a place where a child is likely to access it.

This is an urgent request to inform your school community about the law regarding safe storage of firearms. Sample templates (in English and Spanish) for memoranda to parents and guardians informing them of the laws in California regarding safe storage of firearms are available on the California Department of Education's (CDE) Violence Prevention web page at <https://www.cde.ca.gov/ls/ss/vp/>. You may use these documents, or create your own, to help educate parents, guardians, and families of their legal responsibilities.

Schools alone cannot prevent incidents of gun violence. The CDE is dedicated to making our schools as safe as possible, and it is the responsibility of parents, guardians, and household members to store firearms according to California law. Tips and information about firearms safety, including *Rules for Kids*, can be accessed on the State of California Department of Justice Firearm Safety web page at <https://oag.ca.gov/firearms/tips>.

I commend your ongoing efforts to increase school safety and security awareness and your help to ensure that our students and staff thrive in a culture free of fear and violence. The CDE will continue to provide resources and technical assistance to support your efforts.

If you have questions about school safety and security, please contact Nancy Zarenda, Education Programs Consultant, School Health Office, by phone at 916-445-8441 or by email at nzarenda@cde.ca.gov.

Sincerely,

Tony Thurmond

2019-05721

Dear Parents/Guardians,

I am sending this communication that was adapted from a letter State Superintendent of Schools, Tony Thurmond, issued at the end of the fall 2019 school term.

In 75% of school shootings, the gun comes from the home. Tragically, there continue to be many news reports of students bringing firearms to school. These incidents can be prevented by storing firearms in a safe and secure manner --keeping them locked up when not in use and storing them separately from locked ammunition.

State Superintendent Thurmond has provided the following information that spells out California law regarding the storage of firearms. Please take some time to review this memorandum and evaluate your own personal practices to assure that you and your family are following California law.

- California makes a person criminally liable for keeping a loaded firearm, under their custody and control, where that person knows or reasonably should know that a child is likely to gain access to the firearm without the permission of the child's parent or legal guardian and the child obtains access to the firearm and thereby: (1) causes death or great bodily injury to the child or any other person; (2) carries the firearm to a public place, including to any preschool or school grades kindergarten through twelfth grade, including to any school-sponsored event, activity, or performance; or (3) brandishes a firearm to others. The criminal penalty may be greater if someone dies or suffers great bodily injury as a result of the child gaining access to the firearm.[1]
- As of 2014, California makes a person criminally liable if they negligently store or leave any loaded firearm on their premises where a child is likely to gain access to it—regardless of whether or not the child brings the gun to a public place.[1]
- A parent or guardian may also be civilly liable for damages resulting from the discharge of a firearm by that person's child or ward. These damages may be up to \$30,000 per victim.[2]
- Gun owners may avoid criminal liability under California Penal Code Section 25100 by keeping their firearm in a locked container or secured with a locking device that renders the firearm inoperable.[3]

Thank you for helping to keep our school community safe.

Sincerely,

[1]See California Penal Code sections 25100 through 25125; 25200 through 25220.

LEGAL UPDATE

August 9, 2019

To: Superintendents, Member School Districts (K-12)
From: Kaitlyn Schwendeman, Schools Legal Counsel *KAS*
**Subject: New Restraining Order Case and Managing Disruptive Persons
on Campus**
Memo No. 17-2019

In June, the California Court of Appeal issued a decision interpreting Code of Civil Procedure § 527.8, which allows employers to seek a workplace violence restraining order against an individual on behalf of an employee.

The case, *Los Angeles Unified School District v. Andy Obinna*, Case No. B290225, 2019 WL 298399 (Cal. App. June 17, 2019) ("*Obinna*"), attached to this Legal Update, reviewed the conduct of a parent with "bad behavior," and the reasonableness of the grant of a three-year restraining order. Under California Code of Civil Procedure § 527.8, employers seeking a restraining order must show that the employee has suffered "unlawful violence or a **credible threat of violence from an individual in the workplace.**" The Court upheld the restraining order in *Obinna* based on the "escalating nature of Obinna's actions, his inability to change his behavior after receiving two reprimands, the frequency and severity of his threats and angry outbursts at the school, and the violent nature of the videos he sent the school by Facebook Messenger," which included images of a person holding a gun and a knife.

In the event there is a need to remove a disruptive person from campus, clients have many legal options that may be utilized in addition, or prior to, seeking a restraining order under Code of Civil Procedure § 526.8. Below is a brief review of some of the options available under the various laws; however, we recommend consulting with legal counsel regarding each specific event.

Disruption of Schools¹ – School districts may ask any person who enters any school district building or grounds (or adjoining area) to leave if they are present

¹ Penal Code § 626.8.

without lawful business if their presence or acts interfere with the peaceful conduct of the school or disrupts the school or its pupils.

Acts Likely to Interfere with Peaceful Conduct² – School districts may ask non-students and non-employees to leave the premises/grounds when it reasonably appears that the person is committing any act likely to interfere with the peaceful conduct of the campus; however, such requests cannot be motivated by a desire to restrict free speech.

Withdrawal of Consent to Remain on Campus³ – School districts may remove any person “whenever there is reasonable cause to believe that such person has willfully disrupted the orderly operation” of the school, as long as notice is given and an opportunity for a hearing is provided. Courts have interpreted § 626.4 to be limited to removals only if “conduct or words are such as to constitute, or incite to, a substantial and material physical disruption incompatible with the peaceful functioning of the academic institution and those upon its campus,” and “only when the person excluded has committed acts proscribed by other statutes.”

Registered Sex Offenders and Specified Drug Offenders⁴ – Registered sex offenders and those convicted of the sale and/or possession of a controlled substance, or use, possession or being under the influence of a controlled substance on school property cannot enter any school district building or grounds without lawful business and written permission from the school principal. When the sex/drug offender is a parent/guardian, both requirements must still be met; however, schools are also required to permit such persons to be involved in the education of their child, pursuant to Education Code §§ 49091.10 and 51101. We encourage clients to contact legal counsel with specific questions regarding this topic.

Willful Disturbance of Public School or Meeting⁵ – Willfully disturbing any public school or public school meeting is a misdemeanor.

Disruption of Classwork or Extracurricular Activities⁶ – Parents/guardians or other persons whose conduct materially disrupts school activities or is involved in substantial disorder in a place where a school employee is required to be working is guilty of a misdemeanor.

Please contact our office with questions regarding this Legal Update or any other matter.

The information in this Legal Update is provided as a summary of law and is not intended as legal advice. Application of the law may vary depending on the particular facts and circumstances at issue. We, therefore, recommend that you consult legal counsel to advise you on how the law applies to your specific situation.

LEGAL UPDATE

October 18, 2019

To: Superintendents, Member School Districts (K-12)

From: Carl D. Corbin, General Counsel *CDC*

Subject: AB 543 – High Schools Must Create and Post Sexual Harassment Prevention Poster
Memo No. 33-2019

On October 2, 2019, the Governor approved Assembly Bill (“AB”) 543, which effective January 1, 2020, requires any school district, county office of education, or charter school that serves students in any grades 9th through 12th to develop a poster that notifies students of the sexual harassment prevention policy developed by the Local Educational Agency (“LEA”).¹

Existing law at Education Code § 231.5 requires all LEAs to display in a “prominent location” its policy/policies on sexual harassment.²

LEAs that serve high school students will now, in addition, have to develop a poster³ in accordance with the following requirements:

- The poster shall be no smaller than 8.5 by 11 inches and use at least 12-point font;
- The poster shall be displayed in English and any primary language spoken by 15 percent or more of the pupils enrolled at the schoolsite;
- The language in the poster shall be age appropriate and culturally relevant, and the schoolsite may partner with local, state, or federal agencies, or nonprofit organizations, for these purposes;
- The poster shall display, at a minimum, all of the following:
 - (1) The rules and procedures for reporting a charge of sexual harassment;
 - (2) The name, phone number, and email address of an appropriate schoolsite official to contact to report a charge of sexual harassment; and

¹ AB 543 is codified mostly at Education Code § 231.6.

² “Prominent location” means that location, or those locations, in the main administrative building or other area where notices regarding the institution’s rules, regulations, procedures, and standards of conduct are posted.

³ 231.6(b) provides the schoolsite may partner with local, state, or federal agencies, or nonprofit organizations, for purposes of the design and content of the poster.

Assembly Bill No. 543

CHAPTER 428

An act to amend Section 231.5 of, and to add Section 231.6 to, the Education Code, relating to education.

[Approved by Governor October 2, 2019. Filed with Secretary of State October 2, 2019.]

LEGISLATIVE COUNSEL'S DIGEST

AB 543, Smith. Education: sexual harassment: written policy: posters.

Existing law requires each educational institution in the state to have a written policy on sexual harassment and to display that policy in a prominent location, as defined, in the main administrative building or other area of the educational institution's campus or schoolsite. Existing law requires a copy of that policy, as it pertains to students, to be provided as part of any orientation program conducted for new students at the beginning of each quarter, semester, or summer session, as applicable.

This bill would require a copy of that policy to also be provided as part of an orientation program conducted for continuing pupils, as specified.

This bill would require each schoolsite in a school district, county office of education, or charter school, serving pupils in any of grades 9 through 12, inclusive, to create a poster that notifies pupils of that policy and to prominently and conspicuously display the poster in each bathroom and locker room at the schoolsite. The bill would authorize the poster to be prominently and conspicuously displayed in public areas at the schoolsite, as specified. The bill would require the poster to be age appropriate and culturally relevant, be displayed in English and any primary language spoken by 15% or more of the pupils enrolled at the schoolsite, be no smaller than 8.5 by 11 inches, use at least 12-point type, and display certain information pertaining to that policy, including the rules and procedures for reporting a charge of sexual harassment.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

The people of the State of California do enact as follows:

SECTION 1. Section 231.5 of the Education Code is amended to read:

(e) The poster shall be no smaller than 8.5 by 11 inches and use at least 12-point font.

(f) The poster shall display, at a minimum, all of the following:

(1) The rules and procedures for reporting a charge of sexual harassment.

(2) The name, phone number, and email address of an appropriate schoolsite official to contact to report a charge of sexual harassment.

(3) The rights of the reporting pupil, the complainant, and the respondent, and the responsibilities of the schoolsite in accordance with the applicable written policy on sexual harassment.

(g) (1) The poster shall be prominently and conspicuously displayed in each bathroom and locker room at the schoolsite.

(2) (A) The poster may be prominently and conspicuously displayed in public areas at the schoolsite that are accessible to, and commonly frequented by, pupils, including, but not limited to, classrooms, classroom hallways, gymnasiums, auditoriums, and cafeterias.

(B) The governing board of a school district, governing body of a charter school, and county board of education shall have full discretion to select the appropriate public areas to display the poster at the schoolsite.

SEC. 3. If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.

PUBLIC HEALTH ALERT

September 12, 2019

Fentanyl Overdose Health Alert

Dear Colleagues:

This advisory provides information about a suspected fentanyl overdose related to counterfeit Percocet in Marin amidst a trend of similar cases regionally. This advisory offers treatment options and reporting procedures for Marin County clinicians, emergency responders and community-based providers. Marin County Health and Human Services (HHS) is closely monitoring the local situation.

Current Situation

On September 10, 2019, the Santa Clara District Attorney released a public health warning that law enforcement agencies seized a large number of counterfeit 30-milligram Percocet pills that contain fentanyl – not oxycodone hydrochloride – as their sole active ingredient. The tablets visually appear to be the pharmaceutical version—circular in shape, light blue in color, with an “M” stamped on one side and a “30” on the other side. Fatal overdoses tied to these tablets have increased since August 2019 across the region.

Today, Marin County Public Health is investigating a suspected fentanyl overdose of a Marin resident who reportedly only ingested what appeared to be prescription opioid pills.

Counterfeit Percocet containing fentanyl

Fentanyl is 80 to 100 times more potent than morphine and 40 to 50 times more potent than heroin. Most fentanyl overdoses have been linked to illegally manufactured fentanyl and fentanyl analogs.

Actions requested of providers

1. **Exercise increased vigilance** in promptly identifying suspected overdose patients and taking appropriate action. Patients with fentanyl or other high potency opioid-related overdoses may require multiple administrations of naloxone before responding.
2. **Consider toxicology screening** specific for fentanyl when ordering drug panels for opioid overdose patients. Standard urine drug screening may not detect fentanyl or its analogues.
3. **Prescribe and/or recommend Naloxone** to patients, family members or other caregivers at risk for opioid overdose. Most Marin County pharmacies furnish naloxone without a physician prescription.
4. **Warn patients and clients** with a history of substance misuse and abuse about the risks of purchasing street drugs. Counterfeit pills look like their real counterparts in packaging and appearance but may contain harmful, unregulated ingredients. Drugs contaminated with fentanyl cannot be easily distinguished from drugs that are not contaminated.
5. **Refer** patients and families with substance misuse and abuse issues to the 24/7 Mental Health and Substance Use Access and Assessment Hotline (888 818 1115).
6. **Report** suspect fentanyl overdoses to Marin County Public Health phone (415 473 4163) or confidential fax (415 473 6002).

Complex Trauma: Effective Assessment and Treatment of Victims of Sexual Exploitation

presented by Deepa Patel, CSOTP, LCSW

Monday, February 10, 2020 | 11:30 am - 8:30 pm | San Rafael, CA

presented by Soroptimist International of Marin County and the Jeannette Prandi Children's Center
with logistical support from the Center for Innovation and Resources, Inc.

Trauma exposure occurs along a continuum, from single event traumas where all else is stable in a person's life, to complex trauma, where repeated traumatic events have occurred. Whether a single trauma or complex, the assessment, interventions and treatment can vary especially in relation to children and youth.

Victims of sexual exploitation often experience severe trauma with profound negative impact on their behavior, ability to function, relationships, and self-identity. These experiences often cause profound confusion, shame and guilt. Without timely, appropriate interventions, victims are more vulnerable and more susceptible to future abuse and victimization.

Children and adolescents with mental health concerns are too often overlooked or dismissed due to stereotypes. They may be labeled hopeless, drug users, bad kids, or throw-aways. Frequently, adolescent victims enter the juvenile justice system with co-occurring disorders (like substance abuse and post-traumatic stress disorder) that - even under the best of circumstances - challenge treatment and recovery.

The sexual exploitation of children and youth is a silent epidemic that presents many obstacles to families, service providers, and law enforcement. Identifying and treating victims is not easy. In this presentation we will focus on identifying and treating victims and the effects of sexual exploitation on children and youth. We will discuss trauma-informed screening, assessment and treatments specific to the needs of this special population. We will look to the roots of vulnerability that lead to sexual exploitation, and how to build resiliency in victims and preventing burn-out and vicarious trauma in providers.

Unveiling Complex Trauma: The Most Effective Assessment and Treatment for Victims of Sexual Exploitation

Session for Professionals | 11:30 am - 5:00 pm

School Campus Safety Training: Prevention of Sex Trafficking

Session for Parents | 6:00 pm - 8:30 pm

Ms. Deepa Patel is the Co-Founder of Trauma and Hope, which specifically focuses towards victims of violence, sexual exploitation, gang prevention and intervention, and sex offender evaluations and treatment. Ms. Patel is a Virginia Licensed Clinical

Social Worker, a Certified Sex Offender Treatment Provider and a Gang Specialist through the National Gang Crime Research Center. She is a dynamic clinician who has developed an expertise in treating non-voluntary clients, specifically juvenile and adult gang members, victims of sexual trauma, and sex offenders.

Objectives:

1. Participants will identify who is involved in sex trafficking including victim, offender, and buyer.
2. Participants will understand co-occurring disorders these victims have and acquire appropriate strategies for clinical assessment and screening.
3. Learn clinical interventions for individual, family, and group treatment sessions.
4. Participants will learn tools for effective safety planning and identify signs associated with individuals who may pose a danger to themselves or others.

Course meets qualifications for 5 hours of Continuing Education Units for MFTs/LCSWs (Provider #128510) as required by the California Board of Behavioral Sciences.
CEUs available at training for a fee of \$45.

Individuals with disabilities who require accommodations to participate or those who prefer accommodations for interpretation services in this training should contact Kelly Flugum at kelly.flugum@cirinc.org.

Requests must be received by February 3, 2020.

National Programs

Our innovative national programs have inspired a cultural and behavioral shift at middle schools and high schools across the country. Join our movement to end social isolation by bringing one or all of these programs to your school. Early-bird registration for 2019 - 2020 school year is open! Click on the links below to reserve your supplies!

National Programs

Know Your Classmates is Beyond Differences' initiative designed to explore middle school youth's identity and belonging, understand traditions, and recognize stereotypes. Multi-cultural and multi-faith backgrounds are common in today's schools and Know Your Classmates is speaking honestly with children about their feelings and experiences with one another. Know Your Classmates Day is Friday, October 25, 2019!

No One Eats Alone™ teaches everyone how to make friends at lunch, often the most difficult part of the school day. Created and organized by students, this is our most popular program where schools in all 50 United States participate! National No One Eats Alone Day is Friday, February 14, 2020.
