

THE REDWOODS RESIDENTS ASSOCIATION  
2023 SCHOLARSHIP PROGRAM

January, 2023

Dear Student,

Attached is an application for the 2023 Scholarship Program funded by the Redwoods residents, their families and friends. This year we will award \$3,500 scholarships to Marin County high school seniors. If you are interested in applying, please return your completed application (by mail or in person) by the deadline of: 6:00 p.m., March 10, 2023

The application requires a current GPA transcript and two letters of recommendation: one from a counselor or teacher, one from someone off campus who knows your extracurricular interests and contributions. We also require a one page autobiography, telling us something about you and your interests that makes you unique.

The complete application with accompanying documents is due no later than March 10, 2023. You may copy the application on your computer or make a copy. Handwritten applications must be legible.

We wish we could give scholarships to all students who have financial needs and show academic and leadership skills, but we are limited by the donations we receive. We will make our selections thoughtfully, and will notify you of the results.

Sincerely,

Elizabeth Small, Chair  
Residents Scholarship Committee
