

Measles Outbreak Guidelines Marin County Public Schools

Identify the Symptoms

- Fever
- Runny Nose
- Irritated eyes
- Rash

Contain the Situation to Prevent the Spread

- Immediately isolate the student - preferably outdoors or in a private room
- Place a surgical mask on the student
- **Call the Department of Health and Human Services (DHHS) for assistance at (415) 473-4163**

Provide DHHS with the following information if possible:

1. Date of Birth
 2. Parent Contact Information
 3. Doctor's Name
 4. Immunization Record related to Measles, Mumps, Rubella
 5. School Name
 6. Last Day in School
 7. Date of Onset of Symptoms
- Do not allow non-immunized people to enter the room or care for the student
 - Contact the parent/guardian to pick up the student as soon as possible
 - Once the room is vacated, do not occupy it for 2 hours

Notification

- Determine the immunity status of staff and students at the site (this should be done before an incident as a precaution)
- Work with DHHS to notify parents and staff of possible exposure
