### Review 2023-2024 E2 Goals

2. In collaboration with MCSBA, E2 shall determine what additional perspective(s) may be relevant and informative in the areas of shared services and collaboration and provide the survey accordingly.
3. Following the evaluation of survey results, E2 shall determine what system will best facilitate ongoing, cross-district collaboration that can be responsive to the theme(s) identified in the survey.

- By the next meeting, Brett Geithman will discuss the collaboration with Superintendents to gauge interest.
