

CLASSROOMS THAT WORK:

Defining Roles & Responsibilities for Implementing Culturally Relevant Teaching - System Wide

For educators interested in engaging in deeper conversation about the role of racial equity in the school setting.

Prerequisite: Beyond Diversity 1

Transforming teaching practices to be culturally relevant requires the development of educators with skill and knowledge to confront curriculum and practices.

Participants will emerge with tools and a clear understanding of how they are used to shift mindsets and practices at the classroom, school and central office level.
