

Diabetes in School Settings

September 8, 2017

8:00 - 11:15am or 12:00 - 3:15pm

Marin County Office of Education
1111 Las Gallinas Avenue, San Rafael, CA 94903

\$25.00/person

Training for school site teams will include an overview of diabetes, the basic signs and symptoms of hypo- and hyper-glycemia, the assessment of non-emergency status and the appropriate response of the school personnel to these diabetic situations.

A hands-on segment will allow school personnel to practice the important skills of glucagon injection, obtaining glucometer blood glucose readings and viewing the contents of the Go- KIT needed for field trips.
