

Marin County Office of Education
in partnership with the
Marin County Health and Human Services and the 16th District PTA
presents

Please join Danielle Hiser, Marin County Immunization Coordinator,
for a workshop on how to implement immunization
requirements for this current school year.

- Review what immunizations are required by age and grade
- Review of SB277, a new law passed in 2015 that modifies personal belief exemptions (PBEs)
- Learn about conditional admission and requirements for medical exemption documentation
- Review how to submit the Annual Immunization Assessment report to the CA Dept of Public Health
