

Intentional Talk with Academic Conversations

Cost is \$100/person

3 CEU's can be earned

@ \$55/unit

Open to all teachers of any subject

October 5, 2017

December 7, 2017

February 8, 2018

April 5, 2018

This is a cohort group that will meet monthly from 4:00 - 5:30pm at the Marin County Office of Education as well as participate in an online, Stanford Education MOOC. This is an opportunity to work on the implementation of instructional strategies with intentional protocols and routines in the classroom that facilitate academic conversations.

The goal is to learn new strategies each session and to then go back into the classroom, implement and video these strategies in action.
