Dear Marin County Florist:

As we approach the high school prom season, we are once again asking for your support and participation in our efforts to promote ***Safe and Memorable Prom Nights*** for Marin County high school students.

On behalf of the Marin County School/Law Enforcement Partnership, we are asking Marin florists to include the enclosed prom cards in their packaging of corsage and boutonniere orders as a way of expressing our care and concern for the safety of our youth.

If you would like additional cards, please me at 415-499-5818. The Marin County education and law enforcement community appreciates your participation and commitment in keeping prom activities safe and memorable for all our students.

Sincerely,

Lisa Schwartz, Director
