

Join us in PluckyWize®

Using PluckyWize® materials, lesson plans, techniques, & strategies
— *developed by specialist, Robin O’Heeron, Ph.D.* —
learn how to help your students hike the trails of PluckyWize
as they make their way to Mastery Mountain.

PluckyWize®

uses playful, creative materials, built on research-based methods,
to help children

- ◆ Develop their problem-solving skills
- ◆ Reduce their reactivity and increase self control
- ◆ Develop mindfulness
- ◆ Identify their goals, feelings, emotions, reactions
- ◆ Reduce their anxiety and fear
- ◆ Increase their personal responsibility in the classroom

“To reach your destination — grab your map, create a plan, build your support team, and start learning ways to develop the courage to take your next step on the Trail to Mastery Mountain! See ya at the Trail Head.”

— Buzz from PluckyWize
