Part 4: 4/26/17 from 3:30-5:30 pm

Location:

Marin County Office of Education
1111 Las Gallinas Avenue
San Rafael, CA 94903

Part I:

An overview of the function of the SCA will occur. A review of the materials utilized for the SCA assessment, a task analysis that displays how to organize and schedule out the SCA assessment process as well as what to look for during observations. There will also be a review of Ethical Considerations related to the SCA assessment followed by a brief clinical question and answer session related to the SCA assessment

Part II:

A more in depth review of the SCA as it relates to behavioral needs will be undertaken. Review of Positive Programming Procedures, a focus on Functional Behavior Assessment methodology, Behavior Intervention Plan analysis and procedural fidelity. Additionally, Ethical Considerations related to behavior needs will be outlined as well as a brief clinical question and answer session related to these materials and as report examples

Part III:

How to utilize the SCA Rubric scores from the initial meeting as well as reviewing areas of need as outlined by IEP analysis. Ethical Considerations in regards to the assessment process will be outlined and a brief clinical question and answer session related to these materials as well as whole group practice in scoring SCA Rubrics and analysis.

Part IV:

Analysis of materials and report writing, creating quality assurance measures, fade plans/criteria, and staff training plan. Review of Ethical Considerations related to implementation. Lastly a clinical question and answer session related to the SCA assessment process that utilizes specific examples from the participants from the initial training session through the conclusion.

Method:

The Show, Tell, Guide Methodology will be utilized. This will provide participants the opportunity to be shown report templates, samples of completed reports, and classroom supports will be provided.
