Marin County SELPA SEAC

present:

Common Core State Standards and IEPs:

A Night for Parents of Students with Special Needs

With the recent adoption of the Common Core State Standards, there are many questions about what impact they have on Individualized Education Programs (IEPs). Come learn more about how the Common Core State Standards impact classroom instruction, state-wide assessments and IEP development. This session will focus on students in special education with mild to moderate needs.

Tana Donaghy

President of Educational Equity for All, Tana has worked in the field of special education for over 18 years. She trains teachers, administrators and parents on curriculum and instruction and programming for children with special needs.
