

Marin County Office of Education Early Childhood Education Quality Improvement Project and California Preschool Instructional Network (CPIN)

Present:
CA Preschool Learning Foundations
PHYSICAL SCIENCE, VOLUME 3

Bay Region 4 CPIN Team
Debbie Supple, Director
Eloisa Mendoza-Hinds, English Learner Lead

Wednesday, May 25, 2016 6:00pm – 9:00pm at the Marin County Office of Education

Join us as we present on the
Science Domain of the *CA
Preschool Learning Foundations
and Curriculum Frameworks,
Volume 3!* We will literally "roll
out" Physical Sciences using cars
and ramps

- A light dinner and registration at 5:30pm
- An overview of the CA Preschool Learning Foundations and Curriculum Framework, Vol.3, New Module: Physical Science (Bring your own copy if possible)
- This training counts towards 3 hours of AB212 & CARESPlus professional development
- Expand your vision & practice as we observe, describe, compare and contrast, classify, experiment, record and use scientific vocabulary associated with these skills
- Research based support and curriculum adaptations for all children, including those acquiring English and those with special needs

To register: <http://signup.marinschools.org> or call 415-499-5889
Cost: Free to all PreK-3, QI participants, General Public \$50
Target Audience: Preschool, TK, Kindergarten, Teachers and Staff
