

CalRecycle Presents!

Hosted by Marin County Office of Education

Free EEI Professional Development

For K-12 teachers

EDUCATION AND THE ENVIRONMENT INITIATIVE CURRICULUM (EEI) AN EASY PATHWAY FOR CLASSROOM INTEGRATION OF COMMON CORE AND NEXT GENERATION SCIENCE STANDARDS

Date: Wednesday March 9, 2016
Time: 3:30-5:30 PM
Place: Marin County Office of Education
Community Room
1111 Las Gallinas Avenue
San Rafael, CA 94913-4925

www.CaliforniaEEI.org

Cost: FREE TRAINING! PROVIDED BY CALRECYCLE

The EEI Curriculum is:

- Approved by the California State Board of Education
- Designed to replace select sections of your current history and science textbooks
- Aligned to state History-Social Science and Science Standards & supports Common Core
- Provides a great pathway for Next Generation Science Standards
- Presented by a Veteran Teacher and EEI Ambassadors

use this URL <http://www.sogosurvey.com/k/SsSYRQsVYsPsPsP>

For information: Lucy.Christensen@CalRecycle.ca.gov
Please register by March 1, 2016
Space is limited: audience tailored session

EEI is provided by the State California, through CalRecycle, Office of Education and the Environment.
"The EEI was written for the 21st century...it anticipated many of the things you find in Common Core Standards...creating a connection between reading and writing and subject areas and a literacy strand for History/Social Studies...it requires thinking about it, critically."

Tom Adams, Director,
Curriculum Frameworks & Instructional Resources Division, California Dept. of Education
