

California Transitional Kindergarten Professional Learning (TK PL)

2015-17

- New CDE grant to train transitional kindergarten teachers statewide on newly revised modules specific to transitional kindergarten based on the CA Preschool Learning Foundations and Curriculum Frameworks (a.k.a. standards) beginning March 2015 through June 2017.
- The CA Preschool Instructional Network (CPIN) will be the vehicle for dissemination of the new modules throughout the state and our seven Bay Area counties.
- New staff added to conduct outreach for the delivery of professional learning for transitional kindergarten in collaboration with county offices of education and school districts within the region.
- 13 trainings expected between now and June, 2016.
- 39 trainings expected in 2016-17.
- Goal: Trainings will be offered in each county at county offices of education and/or school districts.
- College credit will be offered.
- State statutory steering committee will guide the work.
