Mary Jane Burke
Marin County Superintendent
Of Schools

and featuring
**The Teen Board of
Beyond Differences**
with the launch
of their new initiative

Every day, Beyond Differences is changing the culture of middle school to end social isolation through student leadership and positive role modeling. But kids live online, too. What do we need to know? Join us for an important presentation and opportunity to ask everything you want to know about the new world of technology and how to keep your family and schools in a healthy place. The Teen Board will inspire you too!
