

Marin County Office of Education

## Countywide Learning Collaborative

### Notes

December 12, 2014

**Attendees:** Wendy Holmes, Beth Kradepohl, Teri Louer, Oscar Medina, Laura Shain, Chris Spores, Marci Trahan

#### I. Welcome

#### II. Math Adoption

- January 9, 2015 will be MCOE's Math Publisher Presentation Day
  - Houghton Mifflin and McGraw Hill will present; waiting to hear back from Pearson
  - Chris will send out flyer, but mark your calendars now
- Modified Coherence, Quality and Support Rubric (for January 9)
  - Add on back of rubric: strengths, weaknesses, other thoughts, and overall impression
  - Chris will have revised rubric ready for everyone's use on 1/9
  - Questions to consider asking publishers:
    - Does the curriculum come in an electronic form?
    - Do you provide information in Spanish?
- Larkspur, Dixie and Kentfield will be meeting with publishers this Monday
- There will be a Math Publisher Share Out from all districts at our next CLC meeting
- Publisher contacts were shared for districts to get samples for piloting
- Decide which teachers/staff will be attending January 9<sup>th</sup>

#### III. Timelines

The following timelines were distributed. They will be posted on Google docs.

- History-Social Science
- Science (NGSS)
- ELA/ELD
- CAASPP
- K-8 Instructional Materials

Discussion and questions followed:

- Does the **Williams Act** need to be updated? Is 1 textbook for every child still required? How does this Act account for on-line curriculum? (Chris will look into this and report back out.)
- The Buck Institute received a grant to train teachers in science. This program, called **STEAM Engine**, is being supported by MCOE. A cohort of middle school teachers are receiving training from Buck scientists. Together they are creating a Toolkit to support teachers with NGSS lessons.
- A 30 minute minimum is required for daily **ELD instruction**.

**IV. Other Items**

- **SBAC** – What is being used to support SBAC?  
Mars Tasks, TenMarks, “Toms,” CDE practice tests
- **Meeting changes** – starting earlier on a different day might increase attendance;  
Wednesdays at 8:30 were agreed upon by all in attendance
- **Principals** – from all districts are encouraged to attend CLC

**V. Agenda Items for Future Meetings:**

- Math Publisher Share Out
- ELD framework information
- SBAC updates
- Intervention
- Strategies for High Achievers

**VI. Next Meeting – FEBRUARY 4, 2015 at 8:30 AM**
