

Marin

MAGAZINE

Dear Educators,

We would love to help you show off the talents of your brilliant students via multimedia videos they have made in class. Help us show off our county through the eyes of our youth.

In an effort to reach out to local middle and high schools in Marin County, *Marin Magazine* would like students at your middle or high school to submit videos to our Digital Content Editor in an effort for them to gain exposure and be a part of the *Marin Magazine* community.

In doing this activity and/or including it in your curriculum for the semester, students will have an opportunity to create a multimedia video, upload it to YouTube and be **featured either on our website or on our YouTube channel**.

Ideas for the multimedia video include, but are not limited to:

- **Favorite place to grab a burger in Marin**
- **Favorite place to hang with friends in Marin**
- **Favorite pastime in Marin**
- **Good hiking spots in Marin**
- **Good biking spots in Marin**
- **Favorite place to grab a slice of pizza with friends**
- **Favorite ice cream shop**
- **Favorite beach in Marin**
- **Favorite spots to grab lunch in Marin**
- **Favorite place to see a movie in Marin**
- **Taking the ferry into San Francisco from Marin**
- **Favorite tourist activity in Marin**

These are just some sample ideas. Your students will be able to pitch ideas to the editors at *Marin Magazine*, and will be able to film, snap photos and conduct interviews on their topic of choice if approved.

Deadline for the fall semester: December 19.

Deadline for the spring semester: May 31.
