Gender Diversity in Early Childhood Education

Saturday, February 8, 2020

9:00am – 2:00pm

Presenters: Encian Pastel and Mitali Purkayastha

Goals for Children

Children, regardless of gender, will participate in a wide range of activities necessary for their full cognitive and social-emotional development.

Children will demonstrate positive feelings about their gender identity and develop clarity about the relationship between their anatomy and their gender role.

Children will talk about and show respect for the great diversity in appearance, emotional expressiveness, behavior, and gender roles for both boys and girls.

Children will recognize unfair or untrue messages (including invisibility) about gender roles.

Children will practice skills for supporting gender role diversity in their interactions with peers.

Course Description

Through a day of presentation and interactive exercises this course will teach how to help an adolescent (age 12-18) who is experiencing a mental health or addiction challenge or is in crisis. The course introduces common mental health challenges for youth, reviews typical adolescent development, and teaches a 5-step action plan for how to help young people in both crisis and non-crisis situations. Topics covered include anxiety, depression, substance use, disorders in which psychosis may occur, disruptive behavior disorders (including AD/HD), and eating disorders.

Who should attend? Anyone can take the 8-hour Mental Health First Aid course – including first responders, students and teachers, leaders of faith communities, service providers, and caring citizens.
This course is not intended for trained mental health providers.

Business Services

Budget Basics & Beyond

Full-day workshop

Includes materials, continental breakfast and lunch

Qualifies for 6.5 CEUs

\$255 Employee Member (Early-Bird Rate)

\$305 Employee Member (Standard Rate)

Designed for

Administrators, new chief business officials, business office staff and anyone interested in a basic knowledge of budget concepts.

Topics

Introduction to budgets in California schools; budget development process; steps in budget development; budget documents and presentations.

Description

This workshop will provide you with the basics of budget development and management, including concepts and processes; rules, regulations and laws; roles and responsibilities; monitoring results against projections; and presentation and communication tools. You'll receive a practical, easy-to-use, all-in-one guide to effective budget development and management that takes you through every step of the budget process. You'll also leave with the Fiscal Crisis & Management Assistance Team's CD of budget display software (as designed and developed by School Services of California, Inc., and funded by the Girard Foundation) to assist you in presenting a user-friendly policy instrument rather than just a document of numbers; as well as standardized budget formats for providing district financial policies and practices information to your stakeholders.

Presenters

Renee Hendrick, Assistant Superintendent of Administrative Services, Orange County Department of Education

Dean West, Associate Superintendent, Business Services, Orange County Department of Education

Payroll Concepts

Full-day workshop

Includes materials, continental breakfast and lunch

Qualifies for 6.5 CEUs

\$255 Employee Member (Early-Bird Rate)

\$305 Employee Member (Standard Rate)

Designed for

New and experienced payroll clerks and supervisors and business and human resources staff with a need to better understand the payroll process.

Topics

Payroll updates; employee classifications; salary computations; overtime calculations; payroll deductions; federal and state withholding taxes; employee leave; time of payments; retirement reporting (California Public Employees' Retirement System and California State Teachers' Retirement System).

Description

In this workshop, you'll hear real-world examples of practical experience and expertise, as shared by the presenters. You'll also receive updates on new laws and regulations, as well as pending legislation that may affect payroll and retirement processing. You'll leave with the skills and knowledge you need to produce accurate paychecks and ensure payroll compliance with federal and state regulatory agencies.

Presenters

Brenda Boothe, Payroll/Retirement Consultant

Strategic Leadership & Communication (Theory & Practice)

Full-day workshop
Includes materials, continental breakfast and lunch
Qualifies for 6.5 CEUs

Designed for
Superintendents, chief business officials, directors, coordinators and any other professionals that lead teams or are responsible for internal or external communications.

Topics
Creating a positive workplace climate; addressing sensitive employee issues; negotiations and crisis communications; critical community conversations; organizational messaging.

Description
One of the most important factors in a successful organization is the communications competency of the leadership team. In this workshop, we'll explore a variety of crucial topics, ranging from negotiations to crisis communications, and personnel issues to budget cuts, with an eye toward building long-term trust. We'll also discuss proactive ways to ensure that internal and external stakeholders understand the organizational vision and support the district through inevitable challenges. Using a combination of theory, case studies, tips and interactive practice, this workshop will provide you with the knowledge, confidence and tools you need to increase your leadership effectiveness. You'll leave the session with a variety of templates that you can immediately put to use in your district.
