.5 academic unit of credit in Early Childhood Education is available through the College of Marin for participation in this Early Learning Summit for a \$23.00 fee (additional fees will be charged to individuals who are not current COM students). To earn the academic credit, you must register at COM **for ECE261 A, B, C, or D. Try registering for the lowest letter first.**

If you have earned credit for an early learning summit in the past, you may need to register for a higher letter. It will become clear to you in the registration process which specific CRN is best for you. All are enrollment in the same event so you will register for only one. Individuals who register and pay for the COM units are not required to pay the conference registration fee to MCOE. All COM students who need units register through COM only.
