Presents

# *Creating Welcoming Environments II*

*December 11, 2019*

*2:00pm- 4:00pm at MCOE*

## **For office staff and Community Liaisons**

In order for students of all backgrounds to succeed and to thrive, a safe and inclusive learning environment is essential. To create such an environment, engagement with students and their families must go beyond academics. **Creating Welcoming Environments II** offers tools and strategies to create safe and welcoming schools for all students, including immigrants and refugees.

Develop strategies to:

- ◆ Support family engagement
- ◆ Strengthen relationships and partnerships with parents & the school community
- ◆ Incorporate family centered support practices

Explore:

- ◆ Issues of equity and intercultural effectiveness
- ◆ Elements that contribute to creating safe, welcoming and inclusive schools for Immigrant students and their families

**Register: <https://welcomeenvironments2.eventbrite.com>**

This training is offered at no charge to schools participating in the P3 Early School Success Initiative due to generous support from the Marin Community Foundation.
