

Be the Change...

TRAINING OF TRAINERS FOR RACIAL EQUITY TRANSFORMATION

This series is designed to help educators deconstruct often unconscious personal biases and beliefs, develop the knowledge and skills to challenge them when they arise - thereby moving closer to systemic equity transformation.

September 2020 to March 2021
Finalized Seminar Dates Coming Soon!

Educators will engage in a series of personally reflective exercises, thought provoking dialogue and race-centered instruction supporting their ability to serve as equity leaders in their school communities. *
