Leading for equity requires courage. This series will give you the skills to engage in difficult conversations and self-reflection to develop trusting relationships based on vulnerability and empathy

**November 12, 2019 and January 21, 2020**

**8:30am-4:00pm**

Our work together, in conversation, in exercise, and in personal reflection, will equip us with the tools needed to do the brave work of leading as educators.
