FEATURED SHORT FILMS

Circle of Addiction – A Different Kind of Tears

Addiction is the central character in this film – it illustrates the challenges that those grappling with this disease face; but also highlights the fact that there is hope in recovery. Directed by James Wahlberg, produced by Wahl St. Productions, featuring actors including Kevin Chapman, Steven Bauer and Bob Wahlberg, among others.

Only The Good

A glimpse into the life of everyday college student Jason. Late for class following a rowdy night, he's confronted by his girlfriend over his increasingly reckless behavior just as his younger sister arrives expecting Jason to help celebrate her 18th birthday. Highlights a typical college party scene and potential downstream impacts.

Produced by students in Louisiana State University's

Screen Arts Program with coaching by Glen Pitre, Professional-in-Residence at LSU and President, Côte Blanche Productions.
