

School Support & Improvement

Every Student Succeeds Act requires that states identify the bottom 5% of schools – the lowest performing schools – and additionally identify schools with one or more groups of students whose performance meets the criteria for “lowest performing.”

Comprehensive Support & Improvement (CSI)

Lowest Performing Title I Schools

Your school's [Dashboard](#) performance meets one of the following:

- All **RED** indicators
- All **RED** but one indicator of another color
- All **RED** and **ORANGE** indicators
- 5+ indicators where the majority are **RED**

Graduation Rate

Your school has a GRADUATION RATE **below 67%** - averaged across two years.

Additional Targeted Support & Improvement (ATSI)

Student Group Performance:

One or more student group(s) in your schools [Dashboard](#) meets one of the following for **two years in a row**:

- All **RED** indicators
- All **RED** but one indicator of another color
- All **RED** and **ORANGE** indicators
- 5+ indicators where the majority are **RED**
