Calling all hackers
in Marin high schools
and ambitious middle schoolers

On Saturday 02 May, [MVGATE](#) and Marin County Office of Education will host the Marin County 2020 Hack4Climate Hackathon.

Hack4Climate

In this day-long celebration of design, problem-solving, and creativity, eighty young problem-solvers in one giant room will use their skills to help build a Marin that's more resilient, safe, healthy, and sustainable.
