All staff members are required to be knowledgeable about the issue and reporting requirements of child and dependent adult abuse.

The Superintendent shall prepare administrative regulations and procedures to implement this policy.
CHILD AND DEPENDENT ADULT ABUSE OR NEGLECT REPORTING REQUIREMENTS

California law requires that school employees who fall within certain statutorily defined categories be familiar with the laws relating to abuse or neglect of children and dependent adult reporting requirements. As a condition of employment you must sign a statement signifying that you have knowledge of the reporting requirements and will comply with them (Penal Code, Section 11166 and Welfare and Institution Code, Section 15630).

The Child Abuse and Neglect Reporting Act also specifies that employers provide their employees who are mandated reporters with training in the duties imposed, including training in child and dependent adult abuse and neglect identification and training in child and dependent adult abuse and neglect reporting within the first six weeks of each school year or within the first six weeks of the person’s employment. (Education Code, Section 44691)

Please visit the Marin County Office of Education’s Employee Resources website (http://www.marinchools.org/Personnel/Employee-Resources/Pages/default.aspx) and watch the Reporting Suspected Abuse or Neglect of Children and Dependent Adult Training Video. Please read the material below and on the attached page which explains your responsibilities regarding the reporting of any suspected instances of child and dependent adult abuse or neglect and the procedures for doing so. After you have done so, sign as indicated on the form.

Receipt and Acknowledgement of Child and Dependent Adult Abuse or Neglect Reporting Requirements

Section 11166 of the Penal Code and Section 15630 of the Welfare and Institution Code require any child and dependent adult care custodian, medical practitioner, nonmedical practitioner, employee of a child protective agency, child visitation monitor, firefighter, animal control officer, Humane Society officer, commercial film and photographic print processor, or clergy who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of abuse to report such known or suspected instance to a child protective agency or adult protective agency respectively immediately or as soon as practically possible by telephone and to prepare and send a written report thereof within 36 hours of receiving the information concerning the incident. For purposes of the reporting law, educators and other school employees fall into the categories of childcare custodian and health care practitioners.

On the attached page are copies of “Mandatory Reporting: 10 Things You Need to Know”, Penal Code Section 11166 and Welfare and Institution Code, Section 15630, which explain the procedures for reporting.

Immediately, or as soon as possible!

By Phone (Child Protective Services or Local Police) To be safe, you may want to report to both.

Remember: Telling your supervisor does NOT satisfy your obligation to report!

YOU ARE OBLIGATED TO REPORT.

Form 8572: SCAR/Suspected Child Abuse Report

Or CPS Website.

You will need:

- Your name, child's name

  Police or Sheriff's Department (not school police), or Child Protective Services
- Report may also be given to designated personnel within your organization, such as:
  Superintendent, Assistant Superintendent, Human Resources Administrator

DO NOT give the report to any others without consulting legal counsel as you may lose your immunity.
6. Your Protection

Confidentiality

- Your identity will be kept confidential. Know that if the case is criminally prosecuted, your identity most likely will be disclosed.

Immunity

- Mandated Reporters have immunity under California law from civil and criminal liability for reporting suspected child abuse.

7. What if I Choose NOT to Report?

A mandated reporter who knowingly and willfully fails to report:

- Is GUILTY of a misdemeanor
- Punishable by up to 6 months in jail
- Fine of $1,000 or both

Other possible implications:

- Loss of license or credential

8. Remember, YOU Signed a Statement

Those working with and around children are required to sign a statement that they have knowledge of their mandatory reporting requirements.

Your signed document is in your personnel file.

It states that YOU KNOW that reporting suspected child abuse is part of your job and it's your obligation to report any misconduct or child abuse.

9. Self-Protection

Here are a few tips to help you avoid situations that could lead to fraudulent allegations of inappropriate conduct.

- Avoid child contact that involves hugging, touching, grabbing, or rubbing/massaging.
- When privacy with children is necessary, leave the doors and windows open when possible.

11166. (a) Except as provided in subdivision (d), and in Section 11166.05, a mandated reporter shall make a report to an agency specified in Section 11165.9 whenever the mandated reporter, in his or her professional capacity or within the scope of his or her employment, has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. The mandated reporter shall make an initial report by telephone to the agency immediately or as soon as is practicably possible, and shall prepare and send, fax, or electronically transmit a written followup report within 36 hours of receiving the information concerning the incident. The mandated reporter may include with the report any nonprivileged documentary evidence the mandated reporter possesses relating to the incident.

(1) For purposes of this article, "reasonable suspicion" means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing, when appropriate, on his or her training and experience, to suspect child abuse or neglect. "Reasonable suspicion" does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect; any "reasonable suspicion" is sufficient. For purposes of this article, the pregnancy of a minor does not, in and of itself, constitute a basis for a reasonable suspicion of sexual abuse.

(2) The agency shall be notified and a report shall be prepared and sent, faxed, or electronically transmitted even if the child has expired, regardless of whether or not the possible abuse was a factor contributing to the death, and even if suspected child abuse was discovered during an autopsy.

(3) A report made by a mandated reporter pursuant to this section shall be known as a mandated report.

(b) If, after reasonable efforts, a mandated reporter is unable to submit an initial report by telephone, he or she shall immediately or as soon as is practicably possible, by fax or electronic transmission, make a one-time automated written
report on the form prescribed by the Department of Justice, and shall also be available to respond to a telephone followup call by the agency with which he or she filed the report. A mandated reporter who files a one-time automated written report because he or she was unable to submit an initial report by telephone is not required to submit a written followup report.

(1) The one-time automated written report form prescribed by the Department of Justice shall be clearly identifiable so that it is not mistaken for a standard written followup report. In addition, the automated one-time report shall contain a section that allows the mandated reporter to state the reason the initial telephone call was not able to be completed. The reason for the submission of the one-time automated written report in lieu of the procedure prescribed in subdivision (a) shall be captured in the Child Welfare Services/Case Management System (CWS/CMS). The department shall work with stakeholders to modify reporting forms and the CWS/CMS as is necessary to accommodate the changes enacted by these provisions.

(2) This subdivision shall not become operative until the CWS/CMS is updated to capture the information prescribed in this subdivision.

(3) This subdivision shall become inoperative three years after this subdivision becomes operative or on January 1, 2009, whichever occurs first.

(4) On the inoperative date of these provisions, a report shall be submitted to the counties and the Legislature by the State Department of Social Services that reflects the data collected from automated one-time reports indicating the reasons stated as to why the automated one-time report was filed in lieu of the initial telephone report.

(5) Nothing in this section shall supersede the requirement that a mandated reporter first attempt to make a report via telephone, or that agencies specified in Section 11165.9 accept reports from mandated reporters and other persons as required.

(c) A mandated reporter who fails to report an incident of known or reasonably suspected child abuse or neglect as required by this section is guilty of a misdemeanor punishable by up to six months confinement in a county jail or by a fine of one thousand dollars ($1,000) or by both that imprisonment and fine. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until an agency specified in Section 11165.9 discovers the offense.

(d) (1) A clergy member who acquires knowledge or a reasonable suspicion of child abuse or neglect during a penitential communication is not subject to subdivision (a). For the purposes of this subdivision, "penitential communication" means a communication, intended to be in confidence, including, but not limited to, a sacramental confession, made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization, is authorized or accustomed to hear those communications, and under the discipline, tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.
(2) Nothing in this subdivision shall be construed to modify or limit a clergy member's duty to report known or suspected child abuse or neglect when the clergy member is acting in some other capacity that would otherwise make the clergy member a mandated reporter.

(3) (A) On or before January 1, 2004, a clergy member or any custodian of records for the clergy member may report to an agency specified in Section 11165.9 that the clergy member or any custodian of records for the clergy member, prior to January 1, 1997, in his or her professional capacity or within the scope of his or her employment, other than during a penitential communication, acquired knowledge or had a reasonable suspicion that a child had been the victim of sexual abuse and that the clergy member or any custodian of records for the clergy member did not previously report the abuse to an agency specified in Section 11165.9. The provisions of Section 11172 shall apply to all reports made pursuant to this paragraph.

(B) This paragraph shall apply even if the victim of the known or suspected abuse has reached the age of majority by the time the required report is made.

(C) The local law enforcement agency shall have jurisdiction to investigate any report of child abuse made pursuant to this paragraph even if the report is made after the victim has reached the age of majority.

(e) (1) A commercial film, photographic print, or image processor who has knowledge of or observes, within the scope of his or her professional capacity or employment, any film, photograph, videotape, negative, slide, or any representation of information, data, or an image, including, but not limited to, any film, filmstrip, photograph, negative, slide, photocopy, videotape, video laser disc, computer hardware, computer software, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image depicting a child under 16 years of age engaged in an act of sexual conduct, shall, immediately or as soon as practicably possible, telephonically report the instance of suspected abuse to the law enforcement agency located in the county in which the images are seen. Within 36 hours of receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a written followup report of the incident with a copy of the image or material attached.

(2) A commercial computer technician who has knowledge of or observes, within the scope of his or her professional capacity or employment, any representation of information, data, or an image, including, but not limited to, any computer hardware, computer software, computer file, computer floppy disk, data storage medium, CD-ROM, computer-generated equipment, or computer-generated image that is retrievable in perceivable form and that is intentionally saved, transmitted, or organized on an electronic medium, depicting a child under 16 years of age engaged in an act of sexual conduct, shall immediately, or as soon as practicably possible, telephonically report the instance of suspected abuse to the law enforcement agency located in the county in which the images or material are seen. As soon as practicably possible after receiving the information concerning the incident, the reporter shall prepare and send, fax, or electronically transmit a
written followup report of the incident with a brief description of the images or materials.

(3) For purposes of this article, "commercial computer technician" includes an employee designated by an employer to receive reports pursuant to an established reporting process authorized by subparagraph (B) of paragraph (43) of subdivision (a) of Section 11165.7.

(4) As used in this subdivision, "electronic medium" includes, but is not limited to, a recording, CD-ROM, magnetic disk memory, magnetic tape memory, CD, DVD, thumbdrive, or any other computer hardware or media.

(5) As used in this subdivision, "sexual conduct" means any of the following:
   (A) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex or between humans and animals.
   (B) Penetration of the vagina or rectum by any object.
   (C) Masturbation for the purpose of sexual stimulation of the viewer.
   (D) Sadomasochistic abuse for the purpose of sexual stimulation of the viewer.
   (E) Exhibition of the genitals, pubic, or rectal areas of a person for the purpose of sexual stimulation of the viewer.

(f) Any mandated reporter who knows or reasonably suspects that the home or institution in which a child resides is unsuitable for the child because of abuse or neglect of the child shall bring the condition to the attention of the agency to which, and at the same time as, he or she makes a report of the abuse or neglect pursuant to subdivision (a).

(g) Any other person who has knowledge of or observes a child whom he or she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to an agency specified in Section 11165.9. For purposes of this section, "any other person" includes a mandated reporter who acts in his or her private capacity and not in his or her professional capacity or within the scope of his or her employment.

(h) When two or more persons, who are required to report, jointly have knowledge of a known or suspected instance of child abuse or neglect, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(i) (1) The reporting duties under this section are individual, and no supervisor or administrator may impede or inhibit the reporting duties, and no person making a report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with this article.
(2) The internal procedures shall not require any employee required to make reports pursuant to this article to disclose his or her identity to the employer.

(3) Reporting the information regarding a case of possible child abuse or neglect to an employer, supervisor, school principal, school counselor, coworker, or other person shall not be a substitute for making a mandated report to an agency specified in Section 11165.9.

(j) A county probation or welfare department shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the law enforcement agency having jurisdiction over the case, to the agency given the responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code, and to the district attorney’s office every known or suspected instance of child abuse or neglect, as defined in Section 11165.6, except acts or omissions coming within subdivision (b) of Section 11165.2, or reports made pursuant to Section 11165.13 based on risk to a child which relates solely to the inability of the parent to provide the child with regular care due to the parent’s substance abuse, which shall be reported only to the county welfare or probation department. A county probation or welfare department also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

(k) A law enforcement agency shall immediately, or as soon as practicably possible, report by telephone, fax, or electronic transmission to the agency given responsibility for investigation of cases under Section 300 of the Welfare and Institutions Code and to the district attorney’s office every known or suspected instance of child abuse or neglect reported to it, except acts or omissions coming within subdivision (b) of Section 11165.2, which shall be reported only to the county welfare or probation department. A law enforcement agency shall report to the county welfare or probation department every known or suspected instance of child abuse or neglect reported to it which is alleged to have occurred as a result of the action of a person responsible for the child’s welfare, or as the result of the failure of a person responsible for the child’s welfare to adequately protect the minor from abuse when the person responsible for the child’s welfare knew or reasonably should have known that the minor was in danger of abuse. A law enforcement agency also shall send, fax, or electronically transmit a written report thereof within 36 hours of receiving the information concerning the incident to any agency to which it makes a telephone report under this subdivision.

(Amended by Stats. 2013, Ch. 76, Sec. 165. Effective January 1, 2014.)
ARTICLE 3. Mandatory and Nonmandatory Reports of Abuse [15630 - 15632]
(Heading of Article 3 renumbered from Article 4 by Stats. 1994, Ch. 594, Sec. 5.)

15630. (a) Any person who has assumed full or intermittent responsibility for the care or custody of an elder or dependent adult, whether or not he or she receives compensation, including administrators, supervisors, and any licensed staff of a public or private facility that provides care or services for elder or dependent adults, or any elder or dependent adult care custodian, health practitioner, clergy member, or employee of a county adult protective services agency or a local law enforcement agency, is a mandated reporter.

(b) (1) Any mandated reporter who, in his or her professional capacity, or within the scope of his or her employment, has observed or has knowledge of an incident that reasonably appears to be physical abuse, as defined in Section 15610.63, abandonment, abduction, isolation, financial abuse, or neglect, or is told by an elder or dependent adult that he or she has experienced behavior, including an act or omission, constituting physical abuse, as defined in Section 15610.63, abandonment, abduction, isolation, financial abuse, or neglect, or reasonably suspects that abuse, shall report the known or suspected instance of abuse by telephone or through a confidential Internet reporting tool, as authorized by Section 15658, immediately or as soon as practicably possible. If reported by telephone, a written report shall be sent, or an Internet report shall be made through the confidential Internet reporting tool established in Section 15658, within two working days.

(A) If the suspected or alleged abuse is physical abuse, as defined in Section 15610.63, and the abuse occurred in a long-term care facility, except a state mental health hospital or a state developmental center, the following shall occur:

(i) If the suspected abuse results in serious bodily injury, a telephone report shall be made to the local law enforcement agency immediately, but also no later than within two hours of the mandated reporter observing, obtaining knowledge of, or suspecting the physical abuse, and a written report shall be made to the local ombudsman, the corresponding licensing agency, and the local law enforcement agency within two hours of the mandated reporter observing, obtaining knowledge of, or suspecting the physical abuse.
(ii) If the suspected abuse does not result in serious bodily injury, a telephone report shall be made to the local law enforcement agency within 24 hours of the mandated reporter observing, obtaining knowledge of, or suspecting the physical abuse, and a written report shall be made to the local ombudsman, the corresponding licensing agency, and the local law enforcement agency within 24 hours of the mandated reporter observing, obtaining knowledge of, or suspecting the physical abuse.

(iii) When the suspected abuse is allegedly caused by a resident with a physician’s diagnosis of dementia, and there is no serious bodily injury, as reasonably determined by the mandated reporter, drawing upon his or her training or experience, the reporter shall report to the local ombudsman or law enforcement agency by telephone, immediately or as soon as practicably possible, and by written report, within 24 hours.

(iv) When applicable, reports made pursuant to clauses (i) and (ii) shall be deemed to satisfy the reporting requirements of the federal Elder Justice Act of 2009, as set out in Subtitle H of the federal Patient Protection and Affordable Care Act (Public Law 111-148), Section 1418.91 of the Health and Safety Code, and Section 72541 of Title 22 of California Code of Regulations. When a local law enforcement agency receives an initial report of suspected abuse in a long-term care facility pursuant to this subparagraph, the local law enforcement agency may coordinate efforts with the local ombudsman to provide the most immediate and appropriate response warranted to investigate the mandated report. The local ombudsman and local law enforcement agencies may collaborate to develop protocols to implement this subparagraph.

(B) Notwithstanding the rulemaking provisions of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, or any other law, the department may implement subparagraph (A), in whole or in part, by means of all-county letters, provider bulletins, or other similar instructions without taking regulatory action.

(C) If the suspected or alleged abuse is abuse other than physical abuse, and the abuse occurred in a long-term care facility, except a state mental health hospital or a state developmental center, a telephone report and a written report shall be made to the local ombudsman or the local law enforcement agency.

(D) With regard to abuse reported pursuant to subparagraph (C), the local ombudsman and the local law enforcement agency shall, as soon as practicable, except in the case of an emergency or pursuant to a report required to be made pursuant to clause (v), in which case these actions shall be taken immediately, do all of the following:

(i) Report to the State Department of Public Health any case of known or suspected abuse occurring in a long-term health care facility, as defined in subdivision (a) of Section 1418 of the Health and Safety Code.

(ii) Report to the State Department of Social Services any case of known or suspected abuse occurring in a residential care facility for the elderly, as defined in Section 1569.2 of the Health and Safety Code, or in an adult day program, as
defined in paragraph (2) of subdivision (a) of Section 1502 of the Health and Safety Code.

(iii) Report to the State Department of Public Health and the California Department of Aging any case of known or suspected abuse occurring in an adult day health care center, as defined in subdivision (b) of Section 1570.7 of the Health and Safety Code.

(iv) Report to the Bureau of Medi-Cal Fraud and Elder Abuse any case of known or suspected criminal activity.

(v) Report all cases of known or suspected physical abuse and financial abuse to the local district attorney's office in the county where the abuse occurred.

(E) (i) If the suspected or alleged abuse or neglect occurred in a state mental hospital or a state developmental center, and the suspected or alleged abuse or neglect resulted in any of the following incidents, a report shall be made immediately, but no later than within two hours of the mandated reporter observing, obtaining knowledge of, or suspecting abuse, to designated investigators of the State Department of State Hospitals or the State Department of Developmental Services, and also to the local law enforcement agency:

(I) A death.

(II) A sexual assault, as defined in Section 15610.63.

(III) An assault with a deadly weapon, as described in Section 245 of the Penal Code, by a nonresident of the state mental hospital or state developmental center.

(IV) An assault with force likely to produce great bodily injury, as described in Section 245 of the Penal Code.

(V) An injury to the genitals when the cause of the injury is undetermined.

(VI) A broken bone when the cause of the break is undetermined.

(ii) All other reports of suspected or alleged abuse or neglect that occurred in a state mental hospital or a state developmental center shall be made immediately, but no later than within two hours of the mandated reporter observing, obtaining knowledge of, or suspecting abuse, to designated investigators of the State Department of State Hospitals or the State Department of Developmental Services, or to the local law enforcement agency.

(iii) When a local law enforcement agency receives an initial report of suspected or alleged abuse or neglect in a state mental hospital or a state developmental center pursuant to clause (i), the local law enforcement agency shall coordinate efforts with the designated investigators of the State Department of State Hospitals or the State Department of Developmental Services to provide the most immediate and appropriate response warranted to investigate the mandated report. The designated investigators of the State Department of State Hospitals or the State Department of Developmental Services and local law enforcement agencies may collaborate to develop protocols to implement this clause.
(iv) Except in an emergency, the local law enforcement agency shall, as soon as practicable, report any case of known or suspected criminal activity to the Bureau of Medi-Cal Fraud and Elder Abuse.

(v) Notwithstanding any other law, a mandated reporter who is required to report pursuant to Section 4427.5 shall not be required to report under clause (i).

(F) If the abuse has occurred in any place other than a long-term care facility, a state mental hospital, or a state developmental center, the report shall be made to the adult protective services agency or the local law enforcement agency.

(2) (A) A mandated reporter who is a clergy member who acquires knowledge or reasonable suspicion of elder or dependent adult abuse during a penitential communication is not subject to paragraph (1). For purposes of this subdivision, "penitential communication" means a communication that is intended to be in confidence, including, but not limited to, a sacramental confession made to a clergy member who, in the course of the discipline or practice of his or her church, denomination, or organization is authorized or accustomed to hear those communications and under the discipline tenets, customs, or practices of his or her church, denomination, or organization, has a duty to keep those communications secret.

(B) This subdivision shall not be construed to modify or limit a clergy member's duty to report known or suspected elder and dependent adult abuse if he or she is acting in the capacity of a care custodian, health practitioner, or employee of an adult protective services agency.

(C) Notwithstanding any other provision in this section, a clergy member who is not regularly employed on either a full-time or part-time basis in a long-term care facility or does not have care or custody of an elder or dependent adult shall not be responsible for reporting abuse or neglect that is not reasonably observable or discernible to a reasonably prudent person having no specialized training or experience in elder or dependent care.

(3) (A) A mandated reporter who is a physician and surgeon, a registered nurse, or a psychotherapist, as defined in Section 1010 of the Evidence Code, shall not be required to report, pursuant to paragraph (1), an incident if all of the following conditions exist:

(i) The mandated reporter has been told by an elder or dependent adult that he or she has experienced behavior constituting physical abuse, as defined in Section 15610.63, abandonment, abduction, isolation, financial abuse, or neglect.

(ii) The mandated reporter is not aware of any independent evidence that corroborates the statement that the abuse has occurred.

(iii) The elder or dependent adult has been diagnosed with a mental illness or dementia, or is the subject of a court-ordered conservatorship because of a mental illness or dementia.

(iv) In the exercise of clinical judgment, the physician and surgeon, the registered nurse, or the psychotherapist, as defined in Section 1010 of the Evidence Code, reasonably believes that the abuse did not occur.
(B) This paragraph shall not be construed to impose upon mandated reporters a duty to investigate a known or suspected incident of abuse and shall not be construed to lessen or restrict any existing duty of mandated reporters.

(4) (A) In a long-term care facility, a mandated reporter shall not be required to report as a suspected incident of abuse, as defined in Section 15610.07, an incident if all of the following conditions exist:

(i) The mandated reporter is aware that there is a proper plan of care.

(ii) The mandated reporter is aware that the plan of care was properly provided or executed.

(iii) A physical, mental, or medical injury occurred as a result of care provided pursuant to clause (i) or (ii).

(iv) The mandated reporter reasonably believes that the injury was not the result of abuse.

(B) This paragraph shall not be construed to require a mandated reporter to seek, nor to preclude a mandated reporter from seeking, information regarding a known or suspected incident of abuse prior to reporting. This paragraph shall apply only to those categories of mandated reporters that the State Department of Public Health determines, upon approval by the Bureau of Medi-Cal Fraud and Elder Abuse and the state long-term care ombudsman, have access to plans of care and have the training and experience necessary to determine whether the conditions specified in this section have been met.

(c) (1) Any mandated reporter who has knowledge, or reasonably suspects, that types of elder or dependent adult abuse for which reports are not mandated have been inflicted upon an elder or dependent adult, or that his or her emotional well-being is endangered in any other way, may report the known or suspected instance of abuse.

(2) If the suspected or alleged abuse occurred in a long-term care facility other than a state mental health hospital or a state developmental center, the report may be made to the long-term care ombudsman program. Except in an emergency, the local ombudsman shall report any case of known or suspected abuse to the State Department of Public Health and any case of known or suspected criminal activity to the Bureau of Medi-Cal Fraud and Elder Abuse, as soon as is practicable.

(3) If the suspected or alleged abuse occurred in a state mental health hospital or a state developmental center, the report may be made to the designated investigator of the State Department of State Hospitals or the State Department of Developmental Services or to a local law enforcement agency. Except in an emergency, the local law enforcement agency shall report any case of known or suspected criminal activity to the Bureau of Medi-Cal Fraud and Elder Abuse, as soon as is practicable.

(4) If the suspected or alleged abuse occurred in a place other than a place described in paragraph (2) or (3), the report may be made to the county adult protective services agency.
(5) If the conduct involves criminal activity not covered in subdivision (b), it may be immediately reported to the appropriate law enforcement agency.

(d) If two or more mandated reporters are present and jointly have knowledge or reasonably suspect that types of abuse of an elder or a dependent adult for which a report is or is not mandated have occurred, and there is agreement among them, the telephone report or Internet report, as authorized by Section 15658, may be made by a member of the team selected by mutual agreement, and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report.

(e) A telephone report or Internet report, as authorized by Section 15658, of a known or suspected instance of elder or dependent adult abuse shall include, if known, the name of the person making the report, the name and age of the elder or dependent adult, the present location of the elder or dependent adult, the names and addresses of family members or any other adult responsible for the elder's or dependent adult's care, the nature and extent of the elder's or dependent adult's condition, the date of the incident, and any other information, including information that led that person to suspect elder or dependent adult abuse, as requested by the agency receiving the report.

(f) The reporting duties under this section are individual, and no supervisor or administrator shall impede or inhibit the reporting duties, and no person making the report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting, ensure confidentiality, and apprise supervisors and administrators of reports may be established, provided they are not inconsistent with this chapter.

(g) (1) Whenever this section requires a county adult protective services agency to report to a law enforcement agency, the law enforcement agency shall, immediately upon request, provide a copy of its investigative report concerning the reported matter to that county adult protective services agency.

(2) Whenever this section requires a law enforcement agency to report to a county adult protective services agency, the county adult protective services agency shall, immediately upon request, provide to that law enforcement agency a copy of its investigative report concerning the reported matter.

(3) The requirement to disclose investigative reports pursuant to this subdivision shall not include the disclosure of social services records or case files that are confidential, nor shall this subdivision be construed to allow disclosure of any reports or records if the disclosure would be prohibited by any other provision of state or federal law.

(h) Failure to report, or impeding or inhibiting a report of, physical abuse, as defined in Section 15610.63, abandonment, abduction, isolation, financial abuse, or neglect of an elder or dependent adult, in violation of this section, is a misdemeanor, punishable by not more than six months in the county jail, by a fine of not more than one thousand dollars ($1,000), or by both that fine and imprisonment. Any mandated reporter who willfully fails to report, or impedes or inhibits a report of, physical abuse, as defined in Section 15610.63, abandonment,
abduction, isolation, financial abuse, or neglect of an elder or dependent adult, in violation of this section, if that abuse results in death or great bodily injury, shall be punished by not more than one year in a county jail, by a fine of not more than five thousand dollars ($5,000), or by both that fine and imprisonment. If a mandated reporter intentionally conceals his or her failure to report an incident known by the mandated reporter to be abuse or severe neglect under this section, the failure to report is a continuing offense until a law enforcement agency specified in paragraph (1) of subdivision (b) of Section 15630 discovers the offense.

1000 COMMUNITY RELATIONS

1500 COMPLAINTS

1501 UNIFORM COMPLAINT PROCEDURES

The Superintendent/Governing Board recognizes that the Marin County Board of Education (MCOE) has primary responsibility for insuring that it complies with state and federal laws and regulations governing educational programs operated by the Marin County Office of Education. The Superintendent or his designee shall investigate and seek to resolve complaints at the local level, in accordance with applicable laws and administrative regulations.

The Superintendent or designee shall follow uniform complaint procedures when addressing complaints alleging unlawful discrimination, harassment, intimidation and bullying against any protected group as identified under Education Code § 200 and 220 and Government Code § 11135, including actual or perceived sex, sexual orientation, gender, gender identity, gender expression, ethnic group identification, race, nationality and ethnicity, ancestry, national origin, religion, color, mental or physical disability, medical condition, genetic condition, marital status, age, or on the basis of a person's association with a person or group with one or more of these actual or perceived characteristics in any Marin County Office of Education program or activity that receives or benefits from state financial assistance. A statement that unlawful discrimination, harassment, intimidation and bullying complaints shall be filed no later than six months from the date the alleged discrimination, harassment, intimidation and bullying occurred, or six months from the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation and bullying. (5 CCR § 4630)

Uniform complaint procedures shall also be used when addressing complaints alleging failure to comply with state and/or federal laws in adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs.

Complaints related to sufficiency of textbooks or instructional materials, emergency or urgent facilities conditions that pose a threat to the health or safety of students or staff, and teacher vacancies and misassignments shall be investigated pursuant to the Marin County Office of Education's Williams uniform complaint procedure.

The Superintendent/Governing Board encourages the early, informal resolution of complaints at the site level whenever possible.

The Superintendent/Governing Board acknowledges and respects every individual's right to privacy. Discrimination, harassment, intimidation and bullying complaints shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process or to comply with contractual, statutory, or constitutional due process. This may include keeping the identity of the complainant confidential, as appropriate and except to the extent necessary to carry out the investigation or proceedings, as determined by the
Superintendent or designee, on a case-by-case basis.

The Superintendent/Governing Board prohibits any form of retaliation against any complainant in the complaint process, including but not limited to a complainant's filing of a complaint or the reporting of instances of discrimination, harassment, intimidation and bullying. Such participation shall not in any way affect the status, grades, or work assignments of the complainant.

The Superintendent/Governing Board recognizes that a neutral mediator can often suggest a compromise that is agreeable to all parties in a dispute. In accordance with uniform complaint procedures, whenever all parties to a complaint agree to try resolving their problem through mediation, the Superintendent or designee shall initiate that process. The Superintendent or designee shall ensure that the results are consistent with state and federal laws and regulations.

Uniform complaint procedures shall also be used to address any complaint alleging the district's failure to comply with the prohibition against requiring students to pay fees, deposits, or other charges for participation in educational activities, the requirements for the development and adoption of a school safety plan, and state and/or federal laws in adult education programs, consolidated categorical aid programs, migrant education, career technical and technical education and training programs, child care and development programs, child nutrition programs, and special education programs.

Complaints have the right to pursue civil law remedies under state or federal discrimination, harassment, intimidation and bullying laws. (5 CCR § 4622)

UNIFORM COMPLAINT PROCEDURES
(Board Policy 1501)

The Marin County Governing Board designates the following compliance officer to receive and investigate complaints and to ensure district compliance with law:

Deputy Superintendent
Marin County Office of Education
1111 Las Gallinas Avenue
San Rafael, CA 94903 (415) 499-5803

The Superintendent or designee shall ensure that employees designated to investigate complaints are knowledgeable about the laws and programs for which they are responsible. Designated employees may have access to legal counsel as determined by the Superintendent or designee.

Notifications

The Superintendent or designee shall annually provide written notification of the Marin County Office of Education's uniform complaint procedures to students, employees, parents/guardians, school and district advisory committees, appropriate private school officials or representatives, and other interested parties.

The Superintendent or designee shall make available copies of the Marin County Office of Education's uniform complaint procedures free of charge.

The notice shall:

1. Identify the person(s), position(s), or unit(s) responsible for receiving complaints

2. Advise the complainant of any civil law remedies that may be available to him/her under state or federal discrimination laws, if applicable

3. Advise the complainant of the appeal process pursuant to Education Code § 262.3, including the complainant's right to take a complaint directly to the California Department of Education (CDE) or to pursue remedies before civil courts or other public agencies

Include statements that:

a. The Marin County Office of Education is primarily responsible for compliance with state and federal laws and regulations
b. The complaint review shall be completed within 60 calendar days from the date of receipt of the complaint unless the complainant agrees in writing to an extension of the timeline.

c. An unlawful discrimination complaint must be filed not later than six months from the date the alleged discrimination occurs, or six months from the date the complainant first obtains knowledge of the facts of the alleged discrimination.

d. The complainant has a right to appeal the district's decision to the CDE by filing a written appeal within 15 days of receiving district's decision.

e. The appeal to the CDE must include a copy of the complaint filed with the district and a copy of the district's decision.

Procedures

The following procedures shall be used to address all complaints which allege that the district has violated federal or state laws or regulations governing educational programs. Compliance officers shall maintain a record of each complaint and subsequent related actions, including all information required for compliance with 5 CCR 4631 and 4633.

All parties involved in allegations shall be notified when a complaint is filed, when a complaint meeting or hearing is scheduled, and when a decision or ruling is made.

Step 1: Filing of Complaint

Any individual, public agency, or organization may file a written complaint of alleged noncompliance by the district.

A complaint alleging unlawful discrimination shall be initiated no later than six months from the date when the alleged discrimination occurred, or six months from the date when the complainant first obtained knowledge of the facts of the alleged discrimination. A complaint may be filed by a person who alleges that he/she personally suffered unlawful discrimination or by a person who believes that an individual or any specific class of individuals has been subjected to unlawful discrimination.

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist him/her in the filing of the complaint.

Step 2: Mediation

Within three days of receiving the complaint, the compliance officer may informally discuss
with the complainant the possibility of using mediation. If the complainant agrees to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a discrimination complaint, the compliance officer shall ensure that all parties agree to make the mediator a party to related confidential information.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with his/her investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time.

Step 3: Investigation of Complaint

The compliance officer is encouraged to hold an investigative meeting within five days of receiving the complaint or an unsuccessful attempt to mediate the complaint. This meeting shall provide an opportunity for the complainant and/or his/her representative to repeat the complaint orally.

The complainant and/or his/her representative shall have an opportunity to present the complaint and evidence or information leading to evidence to support the allegations in the complaint.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, or his/her failure or refusal to cooperate in the investigation or his/her engagement in any other obstruction of the investigation, may result in the dismissal of the complaint because of a lack of evidence to support the allegation.

The district's refusal to provide the investigator with access to records and/or other information related to the allegation in the complaint, or its failure or refusal to cooperate in the investigation or its engagement in any other obstruction of the investigation, may result in a finding, based on evidence collected, that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

Step 4: Response

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report of the district's investigation and decision, as described in Step #5 below, within 60 days of the district's receipt of the complaint.

The Board may consider the matter at its next regular Board meeting or at a special Board meeting convened in order to meet the 60-day time limit within which the complaint must be answered. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final.
If the Board hears the complaint, the compliance officer shall send the Board's decision to the complainant within 60 days of the district's initial receipt of the complaint or within the time period that has been specified in a written agreement with the complaint.

Step 5: Final Written Decision

The district's decision shall be in writing and sent to the complainant.

The district's decision shall be written in English and in the language of the complainant whenever feasible or as required by law.

The decision shall include:

a. The findings of fact based on the evidence gathered
b. The conclusion(s) of law
c. Disposition of the complaint
d. Rationale for such disposition
e. Corrective actions, if any are warranted
f. Notice of the complainant's right to appeal the district's decision within 15 days to CDE and procedures to be followed for initiating such an appeal
g. For discrimination complaints, notice that the complainant must wait until 60 days have elapsed from the filing of an appeal with CDE before pursuing civil law remedies

If an employee is disciplined as a result of the complaint, the decision shall simply state that effective action was taken and that the employee was informed of district expectations. The report shall not give any further information as to the nature of the disciplinary action.

Complaints Concerning the Local Control Accountability Plans

1. A complaint may be filed anonymously if the complaint provides evidence or information leading to evidence to support an allegation of noncompliance with the requirements of Education Code § 52060 through 52071.

2. A complainant not satisfied with the decision of the county superintendent of schools, or charter school may appeal the decision to the Superintendent of Public Instruction and shall receive a written appeal decision within 60 days of the Superintendent's receipt of appeal.

3. If a county superintendent of schools, or charter school finds merit in a complaint, or the Superintendent finds merit in an appeal, the county superintendent of schools, or charter
school shall provide a remedy to all affected pupils, parents, and guardians.

Appeals to the California Department of Education

If dissatisfied with the county superintendent's decision, the complainant may appeal in writing to CDE within 15 days of receiving the district's decision. When appealing to CDE, the complainant must specify the basis for the appeal of the decision and whether the facts are incorrect and/or the law has been misapplied. The appeal shall be accompanied by a copy of the locally filed complaint and a copy of the county superintendent's decision.

Upon notification by CDE that the complainant has appealed the district's decision, the Superintendent or designee shall forward the following documents to CDE:

1. A copy of the original complaint
2. A copy of the decision
3. A summary of the nature and extent of the investigation conducted by the district, if not covered by the decision
4. A copy of the investigation file, including but not limited to all notes, interviews, and documents submitted by the parties and gathered by the investigator
5. A report of any action taken to resolve the complaint
6. A copy of the district's complaint procedures
7. Other relevant information requested by the CDE

CDE may directly intervene in the complaint without waiting for action by the district when one of the conditions listed in 5 CCR 4650 exists, including cases in which the district has not taken action with 60 days of the date the complaint was filed with the district.

Civil Law Remedies

A complainant may pursue available civil law remedies outside of the district's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For discrimination complaints, however, a complainant must wait until 60 days have elapsed from the filing of an appeal with CDE before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the district has appropriately, and in a timely manner, apprised the complainant of his/her right to file a complaint in accordance with 5 CCR 4522.

TOBACCO-FREE SCHOOLS/SITES

The success of the tobacco-free schools policy depends upon the thoughtfulness, consideration and cooperation of both tobacco users and non-users. All individuals on school premises, in school vehicles and participating in MCOE sponsored activities, events and meetings, share in the responsibility for adhering to and enforcing the policy.

In light of findings which indicate that second-hand exposure to environmental tobacco smoke can cause lung cancer and other illnesses, and in order to present a positive role model to students, it is the intent of the Marin County Superintendent, acting with concurrence of the Marin County Board of Education, to protect the health and safety of employees, students, clients and visitors by providing a tobacco-free environment.

NOTIFICATION OF TOBACCO-FREE POLICY

The Marin County Superintendent of Schools or designee shall notify employees and applicants for employment of the tobacco-free policy. The policy and regulation can serve as notification. The policy and regulation will also be disseminated and made available to the educational community and visitors. This regulation is intended to communicate the following:

1. The dangers of tobacco use in the workplace, including its threat to the health and safety of employees, students and the public.

2. Available resources which may help employees stop using tobacco.

3. Possible disciplinary actions in accordance with board policy, state law and applicable collective bargaining agreements.

4. The need to abide by district policy as a condition of employment.
ENFORCEMENT PROCEDURES

• Student Enforcement

Student enforcement of this policy will be consistent with existing school discipline plans and state law regarding possession and/or use of tobacco products by students on school grounds.

• Employee Enforcement

Employee enforcement of this policy while employees are performing work related duties as delineated in the policy will be the same as enforcement with any other policy. This includes personal reminders, a conference with the supervisor, or progressive discipline after repeated violations. Employee enforcement while employees are off duty and acting solely as a member of the general public will be the same as enforcement procedures that apply to the general public described later in this regulation. Examples of "off duty" participation by employees might be attendance at Office/School sponsored events without any Office/School related responsibilities, or attendance at school meetings as a parent.

• General Public

Enforcement of this policy for visitors or members of the general public will include the following: The person will first be asked to stop the use of the tobacco product immediately. If uncooperative, the person will be asked to leave. Law enforcement should only become involved if the person becomes very uncooperative or disruptive.

• Facility Use Request Forms will include an agreement by organizations requesting facility use to help enforce this policy. They may do this by announcing the policy during the activity and monitoring participant compliance through reminders. Permission to use the facility may be revoked if a lack of enforcement effort is evident on the part of the sponsoring organization.
Employee Assistance

The office will provide a list of community resources which will assist employees who wish to stop using tobacco products. This list is attached to this regulation and will be updated as needed.

Please read the following carefully before signing this document.

INTERNET access is coordinated through a complex association of government agencies, and regional and state networks. In addition, the smooth operation of the network relies upon the proper conduct of the end users who must adhere to strict guidelines. These guidelines are provided here so that you are aware of the responsibilities you are about to receive.

In general this requires efficient, ethical and legal utilization of the network resources. If a user violates any of these provisions, his or her account will be terminated and future access could possibly be denied. The signature(s) at the end of this document is (are) legally binding and indicates the party (parties) who signed has (have) read the terms and conditions carefully and understand(s) their significance.

It is the responsibility of all Marin County Office of Education (Marin COE) employees, students, and others who use or access Marin COE technological resources to understand and follow this Acceptable Use Policy (AUP). All school districts or other agencies connecting to the Marin COE network must develop their own Acceptable Use Policy that meets or exceeds the principles contained in this document.

This includes, but is not limited to: copyright infringement, threatening or obscene material, or inappropriate use of material protected by trade secret or illegal gaming. Use for commercial activities is not acceptable. Use for product advertisement or political lobbying is also prohibited. Any transmission or reception of pornographic material is expressly prohibited.

3) Privileges - The use of INTERNET is a privilege, and unacceptable use will result in a cancellation of those privileges. The system administrator may close an account at any time as required. The administration, faculty, and staff of any school district may request the system administrator to deny, revoke, or suspend specific user accounts.

4) Network etiquette - You are expected to abide by the generally accepted rules of network etiquette. These include (but are not limited to) the following:
   a) Be polite.
   b) Use appropriate language.
   c) Do not reveal your personal address or phone numbers of students or colleagues.
   d) Note that electronic mail (e-mail) is not guaranteed to be private. Messages relating to or in support of illegal activities must be reported to school administration and Marin COE.

5) The Marin County Office of Education makes no guarantees of any kind, whether expressed or implied, for the service it is providing. The Marin County Office of Education will not be responsible for any damages you suffer. This includes loss of data resulting from delays, nondeliveries, misdeliveries, or service interruptions caused by its own negligence or your errors or omissions. Use of any information obtained via the INTERNET is at your own risk.

6) Security - Security on any computer system is a high priority, especially when the system involves many users. If you can identify a security problem on the INTERNET, notify Dane Lancaster at 415 499 5837 or e-mail dane@marin.k12.ca.us. Do not use another individual's account without written permission from that individual. Attempts to login to INTERNET as a system administrator will result in cancellation of user privileges.

Vandalism is defined as any malicious attempt to harm or destroy data of another user, INTERNET, or any of the above listed agencies or other networks that are connected to the INTERNET. This includes, but is not limited to, the uploading or creation of computer viruses.

8) Access to Internet and Other Technologies by Adults - Adults accessing the System when working as an employee or volunteer of Marin COE; when attending trainings, meetings, conferences, or other events sponsored at a facility owned or leased by Marin COE or at a facility of which Marin COE has otherwise been granted primary custody; or when accessing the System with remote access connections shall be subject to the rules and regulations specified in the Acceptable Use Policy and the Child Internet Protection Act.

Such interference or disruption includes, but is not limited to, distribution of unsolicited advertising or mass mailings, "spamming," propagation of computer worms or viruses, and using county systems or the K12 HSN to make or attempt to make unauthorized entry to other computational, informational or communications devices or resources. 1. Minors shall not access material that is obscene, child pornography, harmful to minors, or otherwise inappropriate for educational or work-related uses.

3. Minors shall not disclose personal identification information on the Internet.

10) Privacy - Employees have no right to privacy as to any information or file transmitted or stored through the System, including the Marin COE computer system, voicemail, text messaging, electronic mail or other technical resources. The Marin COE reserves the right to retrieve and read any message or file. All users should be aware that when a message is deleted, it may still be possible to recreate the message; therefore, ultimate privacy of messages cannot be guaranteed to anyone. The reliability of passwords for maintaining confidentiality cannot be guaranteed.

11) Policy Violation - Any violation of this policy and regulation may result in the loss of access to the System, or any component part by Marin COE, and may be referred to applicable law enforcement agencies when necessary. Any violation of this policy by a Marin COE employee may also be grounds for disciplinary action, up to and including termination.

12) Public Records and Retention:

1. Information stored on the System or Marin COE equipment, including e-mail, e-mail attachments, Web postings, and voice mail messages may become records of Marin COE. Marin COE records pertaining to Marin COE's business, whether paper or computerized, are considered public records and, therefore, may be subject to disclosure under the Public Records Act ("PRA") and Title 5, section 16020, et seq., of the California Code of Regulations, pertaining to the retention and destruction of school records.

2. A Marin COE e-mail account is not intended for permanent storage of e-mail. Marin COE may retain or dispose of an employee's e-mail, whether an employee is currently or formerly employed by the Marin COE. E-mail account in-boxes and out-boxes may be purged as often as every 90 days by Marin COE's Information Systems department.

3. Employees shall remove or delete e-mail and other electronic files from Marin COE e-mail accounts regularly. E-mail and other electronic files that are classified as Marin COE records shall first be preserved in either of the three manners described in paragraph (2) above. If, for any reason, an employee believes an e-mail, voice mail, text message or other electronically-stored record should be preserved in electronic form, the employee shall notify the Information Systems department that the record should be preserved in electronic form.

What is workers' compensation? Its purpose is to insure that an employee who is found to sustain an industrial injury or illness will be provided with benefits to make up for the loss of income and medical expenses resulting from the injury or illness. Certain state laws provide that employers will be required to carry insurance or bond to protect workers in case of injury or illness. The premium paid by the employer for workers' compensation insurance is based on employee wages and the number of employees. Workers' compensation is a no-fault system. You are paid for medical expenses and lost wages whether or not the injury or illness was caused by the employer. Your employer will pay for any expenses that are reasonably necessary for your care. You are entitled to treatment by a doctor of your choice. Some doctors may be specialists in a certain field of medicine. If you have an industrial injury or illness, you should see your doctor right away. If your doctor suspects an industrial injury or illness, he/she will report it to the insurance carrier. Your employer or York can answer any questions you might have about coverage.

What Does Workers' Compensation Cover? If you have an injury/illness due to your job, it is covered. The cause can be a single event, like a fall or it can be due to repeated exposures, such as hearing loss due to constant loud noise. Injuries ranging from first-aid to serious accidents are covered. Even injuries related to a workplace crime, such as psychological or physical injuries, are covered under workers' compensation. Some injuries that result from voluntary activity, such as off duty social or athletic activities may not be covered. Check with your employer or York if you have questions. Coverage begins the moment you start your job. There is no probationary period or wage rate.

Duty Of The Employee. Immediately notify your employer or York so you can get the medical help that you need without delay. If your injury is greater than a first-aid injury, your supervisor will give you a Claim Form (Form DWC-1) for you to complete. Your supervisor will fill out the "Employee" section of the DWC-1 and give it to you. Your supervisor will keep a copy of this form and give the remaining pages to your supervisor. Your employer will fill out the "Employer" section and return a signed and dated copy of the form to you. Your employer will keep a copy of this form and forward another to York. York is in charge of handling your claim and informing you about your eligibility for benefits.

Your claim benefits do not start until your employer knows about your injury, so report and file the DWC-1 as quickly as possible. California law requires your employer to authorize medical treatment within one working day of receipt of your Claim Form. Employers are liable for up to $10,000 in treatment pending a decision by York for a claim to be accepted or rejected. Waiting to report may delay workers' compensation benefits. You may not receive benefits if you fail to file a claim within one year of the date of injury, the date you know the injury was work related, or the date benefits were last provided.

Duty of the Employer. Provide this form to every employee at the time of hire or by the end of their first pay period.

Within one working day, upon knowledge or notice from any source of a work injury/illness greater than first-aid, provide the employee with a Claim Form (DWC-1) and authorize medical treatment and report the claim to York Risk Services Group (York).

What are the benefits? You may be entitled to various kinds of benefits under California workers' compensation law including:

Medical Care: Medical treatment that is reasonably required to cure or relieve the injured worker from the effects of the injury/illness. There is no deductible or co-insurance. Medical expenses may include lab tests, physical therapy, hospital services, medication and treatment by a doctor.

Permanent Disability: Your doctor says your injury will always leave you with some permanent impairment of bodily function(s), you may receive permanent disability (PD) payments. The amount depends on the doctor's report, how much of the PD was directly caused by your work, and factors such as your age, occupation, type of injury, and date of injury. State law determines minimum and maximum amounts, and they vary by injury date. If you are entitled to PD, York will send you a letter explaining how the benefit was calculated. If the injury causes PD, the first payment of PD benefits is made within 14 days after the last payment of TD, unless your employer has offered you a position at the same rate as TD and you have received no TD payments. The PD benefits are paid directly to the physician, hospital, or other service provider, and not to you, unless you are incapacitated from work due to the injury.

Supplemental Job Displacement Benefits (SJB): If you have a permanent whole person impairment, the eligibility for SJB begins when your employer does not offer regular work, permanently modified, or alternative work within 60 days of the receipt of a doctor's Medical Maximum Improvement (MM) report. This is a non-refundable benefit for education-related retraining and/or skill development at state-approved schools, tools, licensing, certification fees and other resources as possible benefits. If you qualify for the supplemental job displacement benefit, York will provide a voucher up to a maximum of $6,000.

Death Benefits: If the injury/illness causes death, payments may be made to your beneficiaries. State law sets these benefits and the total benefit depends on the number of dependents. The payments are made at the same rate as TD payments. In addition, workers' compensation provides a burial allowance.

Discrimination: It is a violation of Labor Code Section 132(a) and illegal for your employer to punish or fire you for having a workplace injury/illness, for filing a claim or for testifying in another person's workers' compensation case. If your employer is found guilty of discrimination, you would be entitled to increased benefits, reinstatement and reimbursement for lost wages and benefits.

Other Benefits: Sometimes people confuse workers' compensation with State Disability Insurance (SDI). Workers' compensation covers on-the-job injuries/illnesses and is paid for by your employer or their insurance. On the other hand, SDI covers off-the-job injuries or sicknesses, and is paid for by deductions from your paycheck. If you are not getting workers' compensation benefits, you may be able to get State Disability Benefits. Contact the local office of the State Employment Development Department listed in the government pages of your phone book for more information.

You may be eligible to access the return-to-work fund, for the purposes of making supplemental payments to injured worker's whose PD benefits are disproportionately low in comparison to their earnings loss. If you have questions or think you qualify, contact the Information & Assistance office listed in this pamphlet or visit the DIR website at: www.dir.ca.gov.

If You Still Have Questions... ask your supervisor or employer representative. Or contact York at the number indicated on workers' compensation posters at work and on this brochure. You can also contact the State Division of Workers' Compensation (DWC) and speak with an Information and Assistance Officer. These officers are available to review problems, answer questions and provide additional written information about workers' compensation at no charge. The local office is listed below and posted at your workplace. You can also call 800-736-7401 or visit the DWC website at: http://www.dir.ca.gov/dwc.

or foster child or to bond with a newborn.

- An eligible CFRA employee may take **unpaid** leave to care for a parent, spouse, or child with a serious health condition. CFRA leave may also be taken for the employee's own serious health condition.

- Full-time employees may take leave of up to 12 work weeks in a 12-month period. Part-time employees may take leave on a proportional basis. The leave does not need to be taken in one continuous period of time.

- An employer may require a 30-day advance notice of the need for a CFRA-qualifying leave. When this is not possible due to the unexpected nature of the leave, notice should be given as soon as practicable. Notice can be written or verbal and should include the timing and the anticipated duration of the leave. An employer must respond to a leave request within 10 calendar days.

- The employer may require written communication from the health-care provider of the child, parent, spouse, or employee with a serious health condition stating the reasons for the leave and the probable duration of the condition.

- Employees are entitled to take CFRA leave in addition to any leave entitlement they might have under PDL. Leave taken for the birth or adoption of a child must be completed within one year of the event.

- In addition to the family care and medical leave requirements of the CFRA, employers of five or more persons have additional obligations pertaining to PDL. Please refer to the DFEH publication "Pregnancy Leave" for more information [DFEH-186].

**Salary and Benefits During CFRA Leave**

- Employers are **not** required to pay employees during a CFRA leave. An employer may require an employee to use accrued vacation time or other accumulated paid leave other than sick time. If the CFRA leave is for the employees’ own serious health condition, the use of sick time **can be** required.

- If the employer provides health benefits under a group plan, the employer must continue to make these benefits available during the leave. The employee is also entitled to accrual of seniority and participation in other benefit plans.

**Return Rights After CFRA Leave**

- After CFRA leave, employees are guaranteed a return to the same or comparable position and can request the guarantee in writing.

- If the same position is no longer available, such as in a layoff or closure, the employer must offer a position that is comparable in terms of pay, location, job content, and promotional opportunities, unless the employer can prove that no comparable position exists. An employee is not entitled to reinstatement if the employee would have been otherwise laid off or terminated.

**Family Temporary Disability Insurance (FTDI) or “Paid Family Leave”**

Employees on CFRA leave of absence may also be eligible for six weeks of **paid** leave under FTDI, a program administered by the California Employment Development Department (EDD). For further information, contact the EDD at (800) 480-3287 or visit the web site at [www.edd.ca.gov](http://www.edd.ca.gov).

**Filing a Complaint**

If you believe your CFRA rights have been violated, you can explore filing a complaint with DFEH by following these steps:
It is unlawful for an employer to discriminate in terms of compensation, conditions, or privileges of employment because of pregnancy.

If a voluntary settlement cannot be reached, and there is sufficient evidence to establish a violation of the law, DFEH may issue a civil complaint and litigate the case in state or federal court.

If the court decides in favor of the complaining party, remedies may include reinstatement, back pay, reasonable attorney's fees and costs, damages for emotional distress, and punitive damages.

Pregnancy Leave

The Fair Employment and Housing Act (FEHA) contains provisions relating to pregnancy leave. These provisions cover all employers with five or more full or part time employees. It is unlawful for an employer to discriminate in terms of compensation, conditions, or privileges of employment because of pregnancy. In addition, there are certain leave and transfer protections and guarantees provided under the FEHA and the California Family Rights Act (CFRA).

All employers must provide information about pregnancy leave rights to their employees and post this information in a conspicuous place where employees tend to gather. Employers who provide employee handbooks must include information about pregnancy leave in the handbook.

Leave Requirements

- An employee disabled by pregnancy is entitled to up to four months disability leave. If the employer provides more than four months of leave for other types of temporary disabilities, the same leave must be made available to women who are disabled due to pregnancy, childbirth, or a related medical condition.
- Leave can be taken before or after birth during any period of time the woman is physically unable to work
The mission of the Department of Fair Employment and Housing is to protect the people of California from unlawful discrimination in employment, housing and public accommodations, and from the perpetration of acts of hate violence.

because of pregnancy or a pregnancy-related condition. All leave taken in connection with a specific pregnancy counts toward computing the four-month period.

- Pregnancy leave is available when a woman is actually disabled. This includes time off needed for prenatal or postnatal care, severe morning sickness, doctor-ordered bed rest, childbirth, recovery from childbirth, loss or end of pregnancy, or any other related medical condition.

- If an employee is disabled as the result of a condition related to pregnancy, childbirth, or associated medical conditions and requests reasonable accommodation upon the advice of her health-care provider, an employer must provide reasonable accommodation.

- As an accommodation, and with advice of a physician, an employee can request transfer to a less strenuous or hazardous position or duties because of her pregnancy.

- Employees are entitled to take pregnancy disability leave in addition to any leave entitlement they might have under CFRA. For example, an employee could take four months pregnancy disability leave for her disability, and 12 weeks CFRA leave to bond with the baby; to bond with an adopted child; or to care for a parent, spouse, or child with a serious health condition. CFRA leave may also be taken for the employee’s own serious health condition. For more information, see DFEH-188 "California Family Rights Act."

- If possible, an employee must provide her employer with at least 30 days advance notice of the date for which the pregnancy disability leave is sought or transfer begins and the estimated duration of the leave.

- If 30 days advance notice is not possible due to a change in circumstances or a medical emergency, notice must be given as soon as practical. The leave may be modified as a woman’s changing medical condition dictates. If the reinstatement date differs from the original agreement, or if no agreement was made, an employer must reinstate her within two business days of her notice, or when two business days are not feasible, reinstatement must be made as soon as possible to expedite her return.

### Salary and Benefits During Leave

- Employers who provide health insurance coverage for employees who take leave for other temporary disabilities must provide coverage for employees who take leave for pregnancy, childbirth or related medical conditions.

- An employer may require an employee to use her accrued sick leave during any unpaid portion of her pregnancy disability leave. The employee may also use vacation leave credits to receive compensation for which the employee is eligible. An employer may not require an employee to use vacation leave or other accrued time off during pregnancy disability leave.

### Return Rights

- After a pregnancy disability leave or transfer, employees are guaranteed a return to the same position and can request the guarantee in writing.

- If her same position is no longer available, such as in a layoff due to plant closure, the employer must offer a position that is comparable in terms of pay, location, benefits, working conditions, job content, and promotional opportunities, unless the employer can prove that no comparable position exists.

### Filing a Complaint

If you believe you are a victim of illegal discrimination, you can explore filing a complaint with the Department of Fair Employment and Housing (DFEH) by following these steps:

- Contact DFEH by calling the toll-free number at (800) 884-1684 to schedule an appointment or use our online appointment system at www.dfeh.ca.gov

- Be prepared to present specific facts about the alleged discrimination or denial of leave.

- Keep records and provide copies of documents that support the charges in the complaint, such as paycheck stubs, calendars, correspondence and other potential proof of discrimination.

Complaints must be filed within one year of the last act of discrimination.

FAMILY CARE AND MEDICAL LEAVE (CFRA LEAVE)
AND PREGNANCY DISABILITY LEAVE

Under the California Family Rights Act of 1993 (CFRA), if you have more than 12 months of service with us and have worked at least 1,250 hours in the 12-month period before the date you want to begin your leave, you may have a right to family care or medical leave (CFRA leave). This leave may be up to 12 workweeks in a 12-month period for the birth, adoption, or foster care placement of your child or for your own serious health condition or that of your child, parent or spouse. While the law provides only unpaid leave, employees may choose or employers may require use of accrued paid leave while taking CFRA leave under certain circumstances.

Even if you are not eligible for CFRA leave, if you are disabled by pregnancy, childbirth or a related medical condition, you are entitled to take a pregnancy disability leave of up to four months, depending on your period(s) of actual disability. If you are CFRA-eligible, you have certain rights to take BOTH a pregnancy disability leave and a CFRA leave for reason of the birth of your child. Both leaves contain a guarantee of reinstatement—for pregnancy disability it is to the same position and for CFRA it is to the same or a comparable position—at the end of the leave, subject to any defense allowed under the law.

If possible, you must provide at least 30 days’ advance notice for foreseeable events (such as the expected birth of a child or a planned medical treatment for yourself or of a family member). For events that are unforeseeable, we need you to notify us, at least verbally, as soon as you learn of the need for the leave. Failure to comply with these notice rules is grounds for, and may result in, deferral of the requested leave until you comply with this notice policy.

We may require certification from your health care provider before allowing you a leave for pregnancy disability or for your own serious health condition. We also may require certification from the health care provider of your child, parent or spouse, who has a serious health condition, before allowing you a leave to take care of that family member. When medically necessary, leave may be taken on an intermittent or reduced work schedule.

If you are taking a leave for the birth, adoption, or foster care placement of a child, the basic minimum duration of the leave is two weeks, and you must conclude the leave within one year of the birth or placement for adoption or foster care.

Taking a family care or pregnancy disability leave may impact certain of your benefits and your seniority date. If you want more information regarding your eligibility for a leave and/or the impact of the leave on your seniority and benefits, please contact ____________________________.

Filing a Complaint

Employees or job applicants who believe that they have been discriminated against or harassed because of a disability may, within one year of the alleged discrimination, file a complaint with the DFEH by calling (800) 884-1648. The DFEH processes complaints filed by persons with terminal illnesses on a priority basis.

The DFEH serves as a neutral fact-finder and attempts to help the parties voluntarily resolve disputes. If the DFEH finds sufficient evidence of discrimination and settlement efforts fail, the DFEH may file a lawsuit in civil court on behalf of the complaining party.

If the court finds that discrimination has occurred, it can order remedies such as:

- Hiring or reinstatement
- Back pay or promotion
- Changes in the policies or practices of the involved employer
- Damages for emotional distress from each employer or person found to have violated the law
- Punitive damages
- Reasonable attorney’s fees and costs

Employees can also pursue the matter through a private lawsuit in civil court after a complaint has been filed with the DFEH and a Right-to-Sue Notice has been issued.

For more information, see the DFEH publication § 159 “Guide for Complainants and Respondents.”

Employment Discrimination Based on Disability

The Fair Employment and Housing Act (FEHA), enforced by the California Department of Fair Employment and Housing (DFEH), prohibits employment discrimination and harassment based on a person’s disability or perceived disability. In addition, the FEHA prohibits retaliation for exercising a FEHA right. The law also requires employers to reasonably accommodate individuals with mental or physical disabilities unless the employer can show that to do so would cause an undue hardship.

The law covers mental or physical disabilities, which includes HIV/AIDS, regardless of whether the conditions are presently disabling. It also covers medical conditions, which are defined as either cancer or genetic characteristics.

Disability does not include sexual behavior disorders, compulsive gambling, kleptomania, pyromania, or psychoactive substance abuse disorders resulting from the current illegal use of drugs.

FEHA vs. the Federal Americans with Disabilities Act

The FEHA provides broader protection for persons with disabilities than federal law. California employers with five or more employees must follow the FEHA. For
example, California law has broader definitions of mental disability, physical disability, and medical condition.

Under California law, a disability must only "limit" a major life activity. The disability does not have to involve a "substantial limitation," as under federal law, to be considered a disability. Whether a condition or disability "limits" a major life activity is determined regardless of any mitigating measure, such as medication or prosthesis, unless the mitigating measure itself limits a major life activity.

**Employment Inquiries**

The FEHA prohibits employers either verbally or in writing from:

- Requiring any medical/psychological examination/inquiry of any applicant or employee prior to making an offer of employment
- Inquiring directly or indirectly as to whether an applicant or employee has a mental/physical disability or medical condition
- Inquiring about the nature and severity of a mental/physical disability or medical condition

However, an employer may inquire into the ability of an applicant to perform job-related functions and may respond to an applicant's request for reasonable accommodation.

Once an employment offer has been made to an applicant, but before the start of duties, an employer may require a medical/psychological examination. However, the examination/inquiry must be job related and consistent with business necessity and all entering employees in the same job classification must be subject to the same examination or inquiry.

An employer may also conduct voluntary medical examinations, including medical histories, which are part of an employee health program. This information is retained separate and apart from employment and personnel records.

**Reasonable Accommodation**

The employer is required to interact with the employee to explore all possible means of reasonably accommodating a person prior to rejecting the person for a job or making any employment-related decision. The accommodation may arise from a mitigating measure, such as medication taken for the primary disability.

An accommodation is reasonable if it does not impose an undue hardship on the employer's business. Reasonable accommodation can include, but is not limited to, changing job duties or work hours, providing leave, relocating the work area, and/or providing mechanical or electrical aids. An employer may obtain help from government agencies and outside experts to determine whether accommodation is possible.

Employees with disabilities may also be covered by the California Family Rights Act or the federal Family Medical Leave Act.

**Independent Medical Opinion**

An employer must allow an applicant the opportunity to submit an independent medical opinion if there is a dispute as to whether the person can perform the essential functions of a position. Failure to allow the submission of an independent medical opinion may be a separate violation of the law.

**Discrimination**

Any employment-related or personnel decision based on either of the following reasons is not discriminatory:

- The person is unable to perform the essential functions of the job and no reasonable accommodation exists that would enable the person to perform the "essential functions" of the job
- The person would create an imminent and substantial danger to self or others by performing the job and no reasonable accommodation exists that would remove or reduce the danger

The following two reasons commonly raised by employers are not legally acceptable excuses for discriminating against persons with disabilities:

- Possibility of future harm to the person or to others
- Employing such individuals will cause an employer's insurance rates to rise

Gender-based harassment includes acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex, although they are not necessarily sexual in nature. 5205 STUDENT SEXUAL AND GENDER-BASED HARASSMENT

Purpose of Policy

It is the policy of the Superintendent/Governing Board of the Marin County Office of Education to provide an educational environment free of sexual or gender-based harassment. To accomplish this purpose, the policy is designed to secure, at the earliest level possible, an appropriate resolution to an allegation of sexual or gender-based harassment.

This policy is intended to supplement, and not replace, any applicable state or federal laws and regulations. Complaints under these laws and regulations shall be processed through the procedures established by the appropriate state and/or federal agencies.

It is the position of this Superintendent/Governing Board that sexual or gender-based harassment is unlawful and will not be tolerated. It is a violation of this policy for any employee, agent, student, or party with which the Marin County Office of Education has a cooperative agreement, to engage in sexual or gender-based harassment.

Definitions of Sexual and Gender-Based Harassment

As it pertains to students, Education Code Section 212.5 defines "sexual harassment" as "unwelcome sexual conduct including advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the work or educational setting.

Gender-based harassment includes acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex, although they are not necessarily sexual in nature. Prohibited conduct includes harassment of a student for exhibiting what is perceived as a stereotypical characteristic for her or his sex, or for nonconformity with stereotypical notions of masculinity and femininity.

Sexual and/or gender-based harassment denies or limits a student's ability to participate in or benefit from the District's school's program under any of the following conditions:

(a) Submission to the conduct is explicitly or implicitly made a term or condition of an individual's academic status or progress.
(b) Submission to, or rejection of, the conduct by the individual is used as the basis of academic decisions affecting the individual.

(c) The conduct has the purpose or effect of having a negative impact upon the individual's academic performance, or of creating an intimidating, hostile, or offensive educational environment.

(d) Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution."

Specifically, sexual or gender-based harassment may occur as a pattern of degrading sexual speech or actions ranging from verbal or physical annoyances or distractions to deliberate intimidations and frank threats or sexual demands.

Examples of conduct which may constitute sexual harassment include, but are not limited to:

(1) Suggestive or obscene letters, notes, invitations, derogatory comments, slurs, jokes, epithets, assault, touching, impeding or blocking movement, leering, gestures, display of sexually suggestive objects or pictures, or cartoons, whether conducted in person or through an electronic means.

(2) Among peers, continuing to show sexual interest after being informed that the interest is unwelcome. (Reciprocal attraction, among peers, is not considered sexual or gender-based harassment.)

(3) Within the educational environment, implying or actually withholding grades earned or deserved; suggesting a poor performance evaluation will be prepared; or suggesting a scholarship recommendation or college application will be denied as a condition of receiving sexual favors.

(4) Within the educational environment, engaging in sexual behavior to control influence, or affect the educational opportunities, grades, and/or learning environment of a student.

(5) Offering favors or education or employment benefits, such as grades or promotions, favorable performance evaluations, favorable assignments, favorable duties or shifts, recommendations, reclassifications, etc., in exchange for sexual favors.

Any expression of sexual interest between adults and students, regardless of reciprocity is considered inappropriate and shall be subject to discipline under applicable state law.
Examples of conduct with may constitute gender-based harassment include, but are not limited to:

(1) Slurs, threats, derogatory comments, unwelcome jokes, or degrading descriptions related to or because of a student’s gender or gender identity.

(2) Harassment of a male student because of his perceived effeminate mannerisms.

(3) Harassment of a student because of his/her non-traditional choice of extracurricular activities, apparel, and personal grooming choices.

(4) Disparaging remarks about a student because the student socializes with students of the opposite sex, or is predominately friends with students of the opposite sex;

Definition of Hostile Environment

A hostile environment based on sex or gender has been created where the conduct is sufficiently serious to interfere with or limit a student’s ability to participate in or benefit from the school’s program. The more severe the conduct, the less need there is to show a repetitive series of incidents to prove a hostile environment, particularly if the harassment is physical.

Remedial and Corrective Actions

Where unlawful sexual or gender-based harassment is found to have occurred, the Marin County Office of Education will take appropriate remedial and/or corrective action(s), including consideration of the following: providing counseling to a targeted student or for student(s) found to have engaged in harassment; limiting the interaction between the targeted student(s) and the harassing student(s); whether remedial measures are necessary to respond to the impact of the harassing conduct on witnesses or bystanders; and whether other schoolwide actions, such as education and training, are appropriate to respond to the harassing conduct and prevent a recurrence.

Training and Curriculum

To implement this policy, the Marin County Office of Education will provide appropriate training programs for staff and students.

Notification

There will be adequate notification of the policy to include permanent posters in public areas, offices, and hallways. The policy will be published in Marin County Office of Education handbooks and other appropriate materials for employees.
Administrative Regulation

The Superintendent/Governing Board shall adopt, and from time to time may revise, further procedures as may be necessary to implement this policy and provide for a means of enforcing this policy. Such further procedures may include the following: posting and other means of distributing the policy; a process under which complaints will be handled, formally or informally, an explanation of possible civil proceedings and potential legal consequences of sexual or gender-based harassment. The Superintendent will initiate training and education programs to enable all persons, and in particular, supervisors, to better understand the problem of sexual or gender-based harassment. In addition, the Superintendent shall designate appropriate employees to enforce or administer this policy within the Marin County Office of Education and shall provide for appropriate training for Principal/Program Managers and other supervisory personnel on an annual basis.

It is expected that questions may arise concerning the interpretation of the prohibition against sexual or gender-based harassment, the methods and procedures to be following in the investigation of complaints, and the appropriateness of specific solutions in disposition of complaints. For assistance in these matters, individuals may contact the Superintendent or designee.

It shall be a violation of this policy to engage in such retaliation. An allegation of retaliation shall be considered as a separate incident, shall be investigated, and shall be subject to disciplinary action.

Reasonable measures will be taken to prevent retaliation against any target student(s) and/or any other student(s) who provide information as witnesses, including identifying school personnel to make follow-up inquiries with the targeted student(s), witness(es) and/or their parents.

It shall be a violation of this policy to engage in such retaliation. An allegation of retaliation shall be considered as a separate incident, shall be investigated, and shall be subject to disciplinary action as defined in this policy.

Time Limits

Students are encouraged to report allegations of sexual or gender-based harassment to an adult staff member with whom they feel comfortable as soon as reasonably possible after the conduct in question has taken place.

Investigation Guidelines

All investigations of allegations of sexual or gender-based harassment shall be handled promptly, in a serious, sensitive and confidential manner. The Superintendent shall determine in advance which administrative staff positions will be trained to complete these investigations and a trained, qualified administrator at the school site of the reported incident will complete the investigation, unless deemed inappropriate in a specific situation.

All sexual and gender-based harassment investigations at the Marin County Office of Education will be conducted by individual(s) with knowledge of the applicable legal standards and theories of such claims of harassment under Title IX, and the relevant District policies and complaint procedures. The investigator will also be knowledgeable in how to recognize and remedy such harassment. If the targeted student wishes, the targeted student may identify the harassing student(s) and/or witnesses and provide other information in a manner which initially protects the targeted student’s confidentiality, to the extent possible; and consistent with statutory and constitutional due process;

If the investigator receives an anonymous complaint or media report about alleged sexual or gender-based harassment, he/she shall consider the specificity and reliability of the information, the seriousness of the alleged incident, and whether any individuals can be identified who were subjected to the alleged harassment in determining whether it is reasonable to pursue an investigation.
Investigation Process

The investigator shall promptly investigate all complaints of sexual or gender-based harassment. In so doing, he/she shall talk individually with:

(a) The student who is complaining;
(b) The person accused of harassment;
(c) Anyone who witnessed the conduct complained of; and
(d) Anyone mentioned as having material information related to the complaint.

The student who is complaining shall have an opportunity to describe the incident, present witnesses and other evidence of the harassment, and put his/her complaint in writing.

The investigator shall discuss the complaint only with the people described above. When necessary to carry out his/her investigation or for other good reasons that apply to the particular situation, the investigator also may discuss the complaint with the following persons:

(a) The Superintendent or designee or school administration;
(b) The parent/guardian of the student who complained;
(c) If the alleged harasser is a student, his/her parent/guardian;
(d) A teacher or staff member whose knowledge of the students involved may help in determining who is telling the truth; and
(e) Child protective agencies responsible for investigating child abuse reports.

When the student who complained and the alleged harasser so agree, the principal or designee may arrange for them to resolve the complaint informally with the help of a counselor, teacher, administrator or trained mediator. The student who complained shall never be asked to work out the problem directly with the accused person unless such help is provided and both parties agree. In reaching a decision about the complaint, the investigator may take into account:

(a) Statements made by the persons identified above;
(b) The details and consistency of each person’s account;
(c) Evidence of how the complaining student reacted to the incident;
(d) Evidence of any past instances of harassment by the alleged harasser;
and

(e) Evidence of any past harassment complaints that were found to be untrue.

To judge the severity of the harassment, the investigator may take into consideration:

(a) How the misconduct affected one or more students' education;

(b) The type, frequency and duration of the misconduct;

(c) The number of persons involved;

(d) The age and gender of the person accused of harassment;

(e) The subject(s) of harassment;

(f) The place and situation where the incident occurred; and

(g) Other incidents at the school, including incidents of harassment that were not related to gender.

Investigation Protocol

The Marin County Office of Education's designated staff member(s) shall memorialize in writing all reports of alleged harassment.

The Marin County Office of Education shall implement appropriate interim measures to prevent further harassment of the targeted student, as well as measures to avoid retaliation against the reporting student, pending the resolution of the complaint.

The Marin County Office of Education shall maintain on-going contact with the targeted student throughout the investigation.

The Marin County Office of Education shall make reasonable efforts to identify the harassing student(s) and/or witnesses if the targeted student is unaware of their identities or names (e.g. interviewing other students and/or staff who were present during the incident).

The Marin County Office of Education shall refer the matter to law enforcement authorities where appropriate.
The Marin County Office of Education shall interview all relevant student and staff witnesses, and review all relevant documents and physical evidence.

Subject to applicable evidentiary privileges and/or privacy rights, the Marin County Office of Education shall maintain documentation of all investigative steps, including statements provided by targeted student, his/her parents, and any other witnesses or reporting parties, the evidence reviewed, any remedial actions taken, and a copy of the letter of finding issued at the conclusion of the investigation; and

The Marin County Office of Education shall contact the targeted student within a reasonable period of time following the conclusion of the investigation to assess whether there are new allegations of on-going harassment or retaliation, and to determine whether additional supportive measures are needed.

The designated investigator shall, as soon as reasonably possible after the incident has been reported, inform the student, employee, or other person accused of sexual or gender-based harassment of the allegation, and they will be given an opportunity to respond. The person accused shall not be given a copy of the complaint but shall be informed of the allegations. The name of complaint party shall remain confidential to the extent possible.

All parties, specifically including complainants, and witnesses, will be promptly and fully informed of their rights pursuant to this policy, including the fact that complainant and witnesses will not be retaliated against and the confidential nature of the allegation and investigation.

Investigation Results

A written report of the investigation findings shall be filed by the investigator with the Superintendent’s office within twenty (20) school days of the date the student filed the incident report. Subject to applicable evidentiary privileges and/or privacy rights, the final written report will describe the steps taken in the investigation and the facts gathered, whether or not the alleged sexual and/or gender-based harassment occurred, and explaining the basis for the Marin County Office of Education’s conclusion.

Subject to applicable evidentiary privileges and/or privacy rights, the Marin County Office of Education shall provide written notification to the parents/guardians of the targeted student generally explaining the Marin County Office of Education’s investigative process, its factual findings, its determination as to whether harassment occurred, the reasons for the decision, and the appeal procedures within thirty (30) school days. The Marin County Office of Education may also provide a summary of its findings to the accused student’s parents.
The Superintendent may extend the timeline depending on the nature of the investigation. If an extension is needed, the Marin County Office of Education will notify the targeted student and the student’s parent/guardian (if the parent/guardian made the complaint), and explain the reasons for the extension.

such as a lead, supervisor, manager or agent;
- the employer had no knowledge of the harassment;
- there was a program to prevent harassment; and
- once aware of any harassment, the employer took immediate and appropriate corrective action to stop the harassment.

**Filing a Complaint**

Employees or job applicants who believe that they have been sexually harassed may file a complaint of discrimination with DFEH within one year of the harassment.

DFEH serves as a neutral fact-finder and attempts to help the parties voluntarily resolve disputes. If DFEH finds sufficient evidence to establish that discrimination occurred and settlement efforts fail, the Department may file a civil complaint in state or federal court on behalf of the complaining party. The DFEH may seek punitive damages or attorney's fees and costs if it prevails in litigation.

Remedies include:
- Fines or damages for emotional distress from each employer or person found to have violated the law
- Hiring or reinstatement
- Back pay or promotion
- Changes in the policies or practices of the involved employer

Employees can also pursue the matter through a private lawsuit in civil court after a complaint has been filed with DFEH and a Right-to-Sue Notice has been issued.

Employers' Obligations

All employers must take the following actions against harassment:

• Take all reasonable steps to prevent discrimination and harassment from occurring. If harassment does occur, take effective action to stop any further harassment and to correct any effects of the harassment.

• Develop and implement a sexual harassment prevention policy with a procedure for employees to make complaints and for the employer to investigate complaints. Policies should include provisions to:
  - Fully inform the complainant of his/her rights and any obligations to secure those rights.
  - Fully and effectively investigate. The investigation must be thorough, objective, and complete. Anyone with information regarding the matter should be interviewed. A determination must be made and the results communicated to the complainant, to the alleged harasser, and as appropriate, to all others directly concerned.
  - Take prompt and effective corrective action if the harassment allegations are proven. The employer must take appropriate action to stop the harassment and ensure it will not continue. The employer must also communicate to the complainant that action has been taken to stop the harassment from recurring. Finally, appropriate steps must be taken to remedy the complainant’s damages, if any.

• Post the Department of Fair Employment and Housing (DFEH) employment poster (DFEH-162) in the workplace (available through the DFEH publications line [916] 478-7201 or Web site).

• Distribute an information sheet on sexual harassment to all employees. An employer may either distribute this pamphlet (DFEH 185) or develop an equivalent document that meets the requirements of Government Code section 12950(b). This pamphlet may be duplicated in any quantity. **However, this pamphlet is not to be used in place of a sexual harassment prevention policy, which all employers are required to have.**

• All employees should be made aware of the seriousness of violations of the sexual harassment policy and must be cautioned against using peer pressure to discourage harassment victims from complaining.

• Employers who do business in California and employ 50 or more part-time or full-time employees must provide at least two hours of sexual harassment training every two years to each supervisory employee and to all new supervisory employees within six months of their assumption of a supervisory position.

• A program to eliminate sexual harassment from the workplace is not only required by law, but is the most practical way for an employer to avoid or limit liability if harassment should occur despite preventive efforts.

Employer Liability

All employers, regardless of the number of employees, are covered by the harassment section of the FEHA. Employers are generally liable for harassment by their supervisors or agents. Harassers, including both supervisory and non-supervisory personnel, may be held personally liable for harassing an employee or coworker or for aiding and abetting harassment.

Additionally, the law requires employers to take "all reasonable steps to prevent harassment from occurring." If an employer has failed to take such preventive measures, that employer can be held liable for the harassment. A victim may be entitled to damages, even though no employment opportunity has been denied and there is no actual loss of pay or benefits.

In addition, if an employer knows or should have known that a non-employee (e.g., client or customer) has sexually harassed an employee, applicant, or person providing services for the employer and fails to take immediate and appropriate corrective action, the employer may be held liable for the actions of the non-employee.

An employer might avoid liability if

• the harasser is not in a position of authority,

INTRODUCTION
In order to maintain a safe and healthful work environment the Marin County Office of Education has developed this Injury & Illness Prevention Program for all employees to follow. This document describes the goals, statutory authority, and the responsibilities of all employees under the Program. It addresses Compliance, Hazard Identification, Accident Investigation, Hazard Mitigation, Training, Hazard Communication, and Program Documentation. By making employee safety a high priority for every employee we can reduce injuries and illnesses, increase productivity, and promote a safer and healthier environment for all individuals at the Marin County Office of Education.

GOALS
Diligent implementation of this program will reap many benefits for the Marin County Office of Education. Most notably it will:
1. Protect the health and safety of employees. Decrease the potential risk of disease, illness, injury, and harmful exposures to district personnel.
2. Reduce workers’ compensation claims and costs.
3. Improve efficiency by reducing the time spent replacing or reassigning injured employees, as well as reduce the need to find and train replacement employees.
4. Improve employee morale and efficiency as employees see that their safety is important to management.
5. Minimize the potential for penalties assessed by various enforcement agencies by maintaining compliance with Health and Safety Codes.

STATUTORY AUTHORITY
- California Labor Code Section 6401.7
- California Code of Regulations Title 8, Sections 1509 and 3203

RESPONSIBILITY
The ultimate responsibility for establishing and maintaining effective environmental health and safety policies specific to district facilities, operations, and responsibilities of the Injury & Illness Prevention Program are established with:
Secondary Responsibility: Dane Lancaster, Director, 415-499-5837.
It is the responsibility of Site Administrators, Supervisors, and Managers to follow procedures, which ensure effective compliance with the Injury & Illness Prevention Program, as well as other health and safety policies related to operations under their control. Site Administrators, Supervisors, and Managers, are responsible for enforcement of this Program among the employees under their direction by carrying out the various duties outlined herein, setting acceptable safety policies and procedures for each employee to follow and ensuring that employees receive the general safety training. Each Site Administrator, Supervisor, and Manager must also ensure that appropriate job specific safety training is received, and that safety responsibilities are clearly outlined in the job descriptions, which govern the employees under their direction. Supervising others also carries the responsibility for knowing how to safely accomplish the tasks assigned each employee, for purchasing appropriate personal protective equipment, and for evaluating employee compliance. Immediate responsibility for workplace health and safety rests with each individual employee. Employees are responsible for following the established work procedures and safety guidelines in their area, as well as those identified in this Program. Employees are also responsible for using the personal protective equipment issued to protect them from identified hazards, and for reporting any unsafe conditions to their supervisors. The Marin County Office of Education is responsible for developing and managing this Injury & Illness Prevention Program.

COMPLIANCE
Compliance with this Injury & Illness Prevention Program will be achieved in the following manner:
1. Site Administrators, Supervisors, and Managers will set positive examples for working safely and require that all staff under their direction work safely.
2. Site Administrators, Supervisors, and Managers will use all disciplinary procedures available to them to ensure that employees follow established safety policies and procedures. Performance evaluations, verbal counseling, written warnings, and other forms of disciplinary action are available.
3. Site Administrators, Supervisors, and Managers will identify the resources necessary to provide a safe work environment for their employees and include them in budget requests.
The Marin County Office of Education has developed this comprehensive Injury & Illness Prevention Program to enhance the health and safety of its employees.

HAZARD IDENTIFICATION
A health and safety inspection program is essential in order to reduce unsafe conditions, which may expose employees to incidents that could result in personal injuries or property damage. It is the responsibility of Program Managers, Supervisors and management personnel to ensure that appropriate, systematic safety inspections are conducted periodically. (See Appendix A)
COMMUNICATION

Effective two-way communication, which involves employee input on matters of workplace safety, is essential to maintaining an effective Injury & Illness Prevention Program. To foster better safety communication the following guidelines will be implemented: The department will use an Employee Bulletin Board for posting information on safety in a location accessible to all employees. Changes in protocol, safety bulletins, accident statistics, training announcements, and other safety information will be posted, as they become available. Site Administrators, Managers, and Supervisors will provide time at periodic staff meetings to discuss safety topics. Status reports will be given on safety inspections, hazard correction projects, and accident investigation results, as well as feedback to previous employee suggestions. Employees will be encouraged to participate and give suggestions without fear of reprisal. The attached attendance sheet should be used to document attendance and topics covered. Additional communication methods to be used may include: Posters, Newsletters, Meetings, Bulletins, Manuals, Warning Labels. Employees are encouraged to bring to the District’s attention any potential health or safety hazard that may exist in the work area. The Appendix D Employee Safety Recommendation form (or equivalent) can be used for this purpose. These forms are available in the Central Office and at each school site. Supervisors will follow up all suggestions and investigate the concerns brought up through these communication methods. Feedback to the employees is critical, and must be provided for effective two-way communication. Incidents of Non-compliance will be addressed by:

- Stating such examples at staff meetings; Reviewing and discussing success stories at Safety Committee Meetings and to be shared with a larger organization.
- Debriefing and reviewing incidents, injuries, illnesses that could have been avoided, with the intent of changing and updating practices and procedures.
- An immediate discussion between the supervisor and the employee who is discovered working in an unsafe manner.
- Appropriate disciplinary action up to dismissal.

SAFETY COMMITTEE

The function of the Safety Committee is to create and maintain employees’ active, positive interest in safety. This goal can be accomplished by providing open, two-way communication between administrators and employees. Ideally, the safety committee should provide an open forum where employees can take part in and discuss accident causes and means of prevention. By discussing accident causes and possible solutions, the committee can effectively use a broad spectrum of expertise which will help resolve deficiencies in the most practical, cost effective manner. Another benefit of the open forum approach is generation of a positive attitude by getting personnel at all levels involved in the decision making process. An effective safety committee can promote positive attitudes. These will result in reduced injuries and accidents and in turn higher production and lower costs. The committee will have the complete backing and support of the administration. A member of the administration will chair the committee. Committee representatives will be chosen from the following areas.

Certificated Employee Representatives for: Alternative Education, Regional Occupational Program, Special Education. Classified Employee Representatives for: Business Services, Maintenance and Operations, Other Departments, Administration, Personnel Services, Walker Creek Ranch

DOCUMENTATION

Many standards and regulations of Cal/OSHA contain requirements for the maintenance and retention of records for occupational injuries and illnesses, medical surveillance, exposure monitoring, inspections and other activities relevant to occupational health and safety. To comply with these regulations, as well as to demonstrate that the critical elements of this Injury & Illness Prevention Program are being implemented, the following records will be kept on file in the District Office or school site for at least the length of time indicated below:

2. Copies of all Accident Investigation Forms. Retain 5 years.
3. Copies of all Employee Training Checklists and related Training Documents. Retain for duration of each individual's employment.

The County Office of Education will ensure that these records are kept in their files in Personnel, and present them to Cal/OSHA or other regulatory agency representatives if requested. A review of these records will be conducted by the Superintendent designee during routine inspections to measure compliance with the Program. A safe and healthy workplace must be the goal of everyone at the Marin County Office of Education, with responsibility shared by management and staff alike. If you have any questions regarding this Injury & Illness Prevention Program, please contact the Central Office at 415-499-5854.

d. A limited number of copies may be reproduced from each off-air recording to meet the legitimate needs of teachers under these guidelines. Each such additional copy shall be subject to all provisions governing the original recording.

e. After the first ten consecutive school days, off-air recordings may be used up to the end of the 45 calendar-day retention period only for teacher evaluation purposes, i.e., to determine whether or not to include the broadcast program in the teaching curriculum. They may not be used for student exhibition or any other non-evaluation purpose without authorization.

f. All copies of off-air recordings shall include the copyright notice on the broadcast programs as recorded.

2. Prohibited Uses

a. Off-air recording in anticipation of teacher requests.

b. Using the recording for instruction after the ten-day use period.

c. Holding the recording for weeks or indefinitely because:

1) Units needing the program concepts are not taught within the ten-day use period.

2) An interruption or technical problems delayed its use.

3) Another teacher wishes to use it, or for any other supposedly "legitimate" educational reason.
USE OF COPYRIGHTED MATERIALS

d. On occasion, a special notice is provided with some materials specifically prohibiting reproduction of any kind. Permission to use any part of such works must be secured in writing from the author or producer in accordance with this regulation.

e. Off-air recordings need not be used in their entirety, but the content of recorded programs may not be altered. Off-air recordings may not be physically or electronically combined or merged to constitute teaching anthologies or compilations.

F. Software Copyright

1. Permitted Uses

This copy may be held only as a file copy and must be destroyed when the program is no longer rightfully owned by the County Office, unless the copyright owner authorizes its sale, lease or transfer as part of the sale, lease or transfer of the original program.

2. Prohibited Uses
   a. Copies of copyrighted programs may not be made for any purpose other than the two permitted above.
   b. When permission is obtained from the copyright holder to use software on a disk-sharing system, efforts will be made to secure software from copying.
   c. Illegal copies of copyrighted programs shall not be made or used on school equipment.
