

Save The Date ... MARINNOVATORS MAKER Day 2015 Saturday May 2, 2015

The 2nd Annual Marin County Schools MARINNOVATORS MAKER Day is scheduled for Saturday May 2, 2014 at the Marin County Office of Education. Last year we had over 1200 people attend!

MARINNOVATORS 2015 will showcase the genius and creativity of Marin County students in the areas of Science, Technology, Engineering, Arts/Design and Math.

Project themes for the event include The INTERNET of Things, Hack Your Biology, Robotics, and The New Industrial Revolution.

Autodesk, Facebook, Microsoft, Google and local bay area tech startups will be there, too, to demonstrate their coolest cutting edge projects and products.
