

## **Marin County School Boards Association (MCSBA) Kick Off Event – August 27, 2014**

Our Annual MCSBA Kick Off event was a success by all reports, and everyone enjoyed themselves. Set in Mary Jane Burke's backyard, the evening's activity involved "Trustee Speed Dating" that rotated an ever-changing mixture of trustees and superintendents across five stations. Approximately 60 attendees interacted and exchanged ideas beginning with the trustee survey results. The MCSBA Executive Committee facilitated these interactions and the feedback has been very positive! After the activity, the attendees sat down to family style dining under the trees. The food was delicious and the set up fit beautifully with Mary Jane's scenic backyard. To see some photos from the event, [click here](#).

The feedback from the Trustee Speed Dating mixer activity will be used for planning the 2014-2015 events. Thank you for your part in making the kick-off event a success!
