1-hour weekly teacher-mentor meetings are **required**. Mentors guide all Induction work (based on teacher needs) and complete Activity Logs with weekly meeting notes. Mentors support the teacher in developing an Individual Learning Plan (ILP) with input from administrators. Teachers access their ILP through Google Classroom, and update the ILP throughout the course of the program.

### INDIVIDUAL LEARNING PLAN (ILP)

#### Developing & Reflecting on Professional Goals

- Mentor/Teacher attend Fall Workshop together
- Design Individual Learning Plan (ILP) with 2 Specific, Measurable, Achievable, Relevant, Time-bound (S.M.A.R.T.) Goals & Action Steps
- Mentor/Teacher hold Triad Conversation with Administrator for input on ILP goals
- Submit ILP to Google Classroom by 10/20/23** for initial program input
- Complete ILP Reflective Analysis** on each goal and submit to Google Classroom by **12/8/23** for program feedback
