

Take the First Step to Quality

All programs and providers participating in Marin Quality Counts **demonstrate a commitment to quality**. Participants may choose one of three levels of participation and have the ability to move up or down.

Step ONE Level for any program or provider serving children, 0-5

- Access to free professional development

Step TWO Level for any program or provider serving children, 0-5

- Access to free professional development
- Technical assistance to create and implement Quality Action Plan
- Informal Self-Assessment, as needed, to inform Program Action Plan, using CLASS and/or ERS tools
- Access to stipends and incentives to support quality improvement & professional and academic growth **

Step THREE Level (QRIS)

for any licensed program or provider serving children, 0-5*

- Access to free professional development
- Quality Coaching support and technical assistance to support and implement Quality Action Plan
- Formal CLASS and ERS assessments
- Access to stipends and incentives to support quality improvement & professional and academic growth **
- Recognition and Awards

**Please note that Step Three is the required entry level for California State Preschool Programs.*

*** Amount based on availability of sufficient funds*
