

Marin Quality Counts PROVIDERS

Marin Quality Counts...What is it?

Marin Quality Counts is a collaborative initiative promoting excellence in early care and education for programs, providers and families. As an early care and education provider, you play a vital role in the lives of young children. Your success is not just important, **it's critical**. Marin Quality Counts recognizes and supports the quality of your early care and education program while connecting families with your services. Our work includes the Marin County Quality Rating Improvement System (QRIS), which provides supports to **YOU** for the achievement of this goal.

♥ Why Participate?

Marin Quality Counts is a powerful support system for early care and education providers. Participants receive:

- Access to free high quality professional development
- A program evaluation and Marin Quality Counts recognition (for licensed programs)
- Coaching to support quality improvement
- A reputation for commitment to quality that comes with the Marin Quality Counts project
- A published listing in the Marin Quality Counts online directory
- Eligibility for incentives or stipends

♥ Get Started.

All early care and education programs and family care providers serving children birth to age 5 in Marin are eligible to participate free of charge. The process is easy.

1. Contact Marin Quality Counts for your program application.
2. A Marin Quality Counts Orientation will answer all your questions.
3. Your program will begin working with ongoing support to identify and create goals to achieve high quality through continuous quality improvement.
4. When you are ready, Marin Quality Counts staff will visit your program, assess the elements of quality and share those results with you.
5. Based on results your program will receive Marin Quality Counts recognition of achievement and/or support to increase and maintain your quality!

To participate, contact
